Creative Writing

Writing Task: 25 Minutes

Writing Task Instructions:

Use the image of the serene park in early autumn as inspiration for your piece of writing. Consider the following prompts to guide your narrative:

- Write about an event or encounter that occurred or might have occurred in this park.
- You can focus on yourself, people you know, or create fictional characters and events.
- Reflect on the emotions, scenarios, and characters you introduce, ensuring your writing vividly depicts these elements.

Tips to Score High:

1. Engage the Reader: Start with an engaging hook that draws the reader into your story. This could be a mysterious character, an intriguing event, or a vivid description of the scene.
2. Vivid Descriptions: Use sensory details to bring your story to life. Describe what the characters see, hear, and feel in the park setting.

3. **Develop Characters:** Give depth to your characters through their actions, dialogue, and thoughts. Make them relatable and interesting.
4. **Build a Narrative Arc:** Ensure your story has a clear beginning, middle, and end. Include a conflict or challenge that the characters must overcome.
5. **Emotional Impact:** Aim to evoke emotions in your reader. Whether it's joy, nostalgia, tension, or relief, the emotional depth will make your story more compelling.
6. **Polish Your Writing:** After drafting, revise your work. Check for grammar, punctuation, and style to make your writing as clear and effective as possible.

Use these guidelines and the image provided to create a thoughtful and expressive piece of writing.

1. **Unleash the power of your imagination and let your creativity flow in the pages of this essay.** (1 point)

Persuasive Essay : Universal Basic Income

Essay Writing Prompt: Universal Basic Income

Prompt: Should a universal basic income (UBI) be implemented to reduce poverty and increase economic stability? Discuss the potential benefits and drawbacks.

Background Information:

Universal Basic Income (UBI) is a model for providing all citizens of a country or a geographic region with a given sum of money, regardless of their income, resources, or employment status. The intent behind UBI is to provide financial security and reduce poverty while promoting equality among citizens. Advocates argue that UBI can help stabilize the economy by providing people with the means to afford basic necessities, thus boosting spending and economic activity. Critics, however, contend that a UBI could discourage people from working and could be financially unsustainable.

Key Points to Address:

1. Definition and Objective of UBI: Explain what UBI is and its primary goals, including economic security, poverty reduction, and potentially greater equality.
2. Potential Benefits:
 - Economic Security: Argue how UBI provides a safety net for all citizens, potentially reducing homelessness and poverty.

- **Boost to Economy:** Explain how regular, guaranteed income could increase consumer spending and stimulate economic growth.
- **Encouragement of Entrepreneurship:** Discuss how financial security could foster greater innovation and entrepreneurship as people are less afraid of losing their primary income.
- **Simplification of Welfare:** Point out how UBI could replace the complex array of social welfare programs, reducing bureaucracy and overhead costs.

3. Potential Drawbacks:

- **Work Disincentive:** Argue whether receiving unconditional income might discourage recipients from working or upgrading their skills.
- **Cost of Implementation:** Analyze the financial feasibility of UBI, considering the immense funds required to ensure a basic income for all adults.
- **Inflation Risks:** Discuss how injecting more money into the economy could lead to inflation, possibly negating the real value of the income provided.
- **Equity Issues:** Consider whether a flat payment to all citizens addresses the varying needs and costs of living in different regions.

Writing Guide to Score High:

1. Introduction:

- **Start with a hook:** Present a compelling statistic or fact about poverty and economic instability.
- **Define UBI and state its main objectives.**
- **Present your thesis:** Clearly state your position on whether UBI should be implemented.

2. Body Paragraphs:

- **Paragraph 1:** Discuss the benefits of UBI, using evidence and examples to support your points.
- **Paragraph 2:** Explain the potential negative consequences of UBI, with supporting data and forecasts.
- **Counterarguments:** Address possible counterarguments to your stance, and refute them effectively, showing a deep understanding of the issue.

3. Conclusion:

- **Summarize the main arguments made in favor and against UBI.**
- **Reinforce your thesis, emphasizing the balance of benefits over drawbacks or vice versa.**
- **End with a call to action or a rhetorical question to leave the reader thinking about the potential impact of UBI.**

4. Proofreading and Editing:

- **Ensure your essay flows logically and that each paragraph supports your thesis.**
- **Check for grammatical errors and proper punctuation to maintain a professional tone.**
- **Ensure that your arguments are clear and well-supported by credible sources.**
