

# Mock Test 02 - Year 8 Creative Writing Carrier Pigeons

Name: \_\_\_\_\_

Email: \_\_\_\_\_

## 1. Creative Writing:

Imagine you are an astronaut who just landed on an alien planet. Describe your first encounter with the alien species. What do they look like? How do they communicate? What is their culture like?

### Assessment Criteria:

- **Creativity and Originality (30%):** The story should be unique and show a high level of creativity. The description of the alien species, their communication methods, and their culture should be original and not borrowed from existing works of science fiction.
- **Descriptive Language (20%):** The essay should make good use of descriptive language to paint a vivid picture of the alien species and their planet. This includes the use of metaphors, similes, and sensory language.
- **Character Development (20%):** The astronaut character should be well-developed and relatable. Their reactions to the alien species and the new environment should be believable and consistent with their character.
- **Plot Development (20%):** The essay should have a clear beginning, middle, and end. The plot should be engaging and have some sort of conflict or problem that the astronaut needs to overcome.
- **Grammar and Spelling (10%):** The essay should be free of grammar and spelling errors. It should be well-written and easy to read.
