

CTJan27 Online Year 6 English Test
37 Questions

NAME : _____

CLASS : _____

DATE : _____

 Summarize

1. **Soccer is known in some countries as football. It is a popular sport across the world, with over 200 countries playing the sport. It is estimated that over 250 million people, both men and women, play soccer. The sport has been part of the Olympic games from 1900 to 1928 and from 1936 to today.**

What is the main idea?

- A Soccer is a worldwide sport. B Soccer is also called football.
- C Soccer is important at the Olympics. D Soccer is played by men and women.

2. **My family went to the circus. We saw the funny clowns. We watched the lion act. We ate a lot of treats and popcorn. We had a lot of fun and I can't wait to go back!**

This story is about _____.

- A seeing lions B funny clowns
- C going to the circus D eating treats and popcorn

3. Erosion of America's farmland by wind and water has been a problem since settlers first put the prairies and grasslands under the plow in the nineteenth century. By the 1930s, more than 282 million acres of farmland were damaged by erosion. After 40 years of conservation efforts, soil erosion has accelerated due to new demands placed on the land by heavy crop production. In the years ahead, soil erosion and the pollution problems it causes are likely to replace petroleum scarcity as the nation's most natural resource problem.

 Summarize

As we understand from the reading, today, soil erosion in America ----.

- A is the most critical problem that the nation faces
- B is worse than it was in the nineteenth century
- C causes humans to place new demands on the land
- D happens so slowly that it is hardly noticed

4. In the 16th century, an age of great marine and terrestrial exploration, Ferdinand Magellan led the first expedition to sail around the world. As a young Portuguese noble, he served the king of Portugal, but he became involved in the quagmire of political intrigue at court and lost the king's favor. After he was dismissed from service by the king of Portugal, he offered to serve the future Emperor Charles V of Spain. 1. The 16th century was an age of great _____ exploration.

- A D. common man
- B C. mental
- C A. cosmic
- D B. land

5. Do you ever wonder how you taste things? You owe your sense of taste to your taste buds. We have 9,000 taste buds just on the tongue alone. There are also taste buds on the roof of your mouth. You even have taste buds on the back of your throat.

What does the author want you to learn from the passage?

- A We have taste buds on our tongues
- B Why we can taste only certain things.
- C Where taste buds are found
- D That we taste through our noses

6. **I can't wait until this weekend! We're going to my grandparents' house and my entire family will be there. I will spend most of my time playing games with my cousins. We always have such a good time together! The day goes by so fast, and by the end we are all exhausted... but we still don't want to leave!**

What is the main idea?

 Summarize

- A The author enjoys spending time with her family. B Weekends are times to travel.
- C The author is sad to leave her cousins. D The author's grandparents live far away.

7. **The earth's surface is constantly changing. All over the world everyday there are earthquakes, floods and volcanoes that quickly change our world. Some changes are too small to see. Others cause tremendous damage and costs millions of dollars to clean up.**

What is the main idea?

- A Sometimes we can't see the changes. B The Earth's surface is always changing.
- C It is expensive to clean up the damage

8. **IDENTIFY THE MAIN IDEA**

Before you put on that skeleton costume and rove door-to-door pandering for candy, take a minute to reflect on this tradition. Halloween is believed to have come from an ancient Celtic festival dating back some 2,000 years. November 1st was the Celtic New Year and marked the end of summer to the Celts. They celebrated on its eve by wearing costumes made of animal skins and dancing around bon fires. Over the next two millennia, this primitive celebration grew to be the candy fueled costume ball that we know today.

- A Primitive traditions B The New Celtic Year
- C Why the skeleton costume is the best for Halloween D The origins of Halloween

9. **Did you know that the human brain is the most complex organ in the body? It's responsible for our thoughts, feelings, and movements.
