Crime Stoppers of Greenville

The tipster provided information to Crime Stoppers of Greenville regarding a Cold Case from nearly 20 years ago. Specifically, the information was associated with the December 5th, 2007, murder of 21-year-old Jarrett Corey Johnson. The tipster provided specific names for a couple suspected to be involved. The tipster advised that on the incident date, Johnson needed a ride to withdraw money from an ATM. The couple provided him with transportation, and then supposedly the male half of the couple shot Johnson after he received his money from the ATM. The tipster further advised that the female half of the couple assisted in moving Johnson's body to a wooded area.

This information was assigned to the Greenville County Sheriff's Office (GCSO) Cold Case Unit. Deputies from the agency determined that the dispute had taken place between the parties on Boling Road Extension. This information, combined with other known factors, provided investigators with sufficient evidence to obtain warrants.

The warrants were assigned to deputies from the GCSO Fugitive Apprehension Specialized Investigations Team (F.A.S.I.T.). They were able to pursue and arrest one (1) male subject identified as 55-year-old Russell Allen Vance, Sr. Vance was charged with Murder and Possession of a Weapon during a Violent Offense. He is currently being held in the Greenville County Detention Center without bond for the almost 20-year-old Cold Case.

Early in December 2025, Richland County Sheriff's Department was attempting to identify two subjects in connection with lottery ticket thefts from a local gas station. The thieves were seen on security cameras at a convenience store, trying to cash the tickets. Law Enforcement had no leads on who the men might be.

Attempt to Identify

A small, grainy surveillance photograph showing two men standing in what appears to be a convenience store. The man on the left is wearing a purple long-sleeved shirt and blue jeans. The man on the right is wearing a grey zip-up hoodie and dark pants. They are both looking towards the camera.

Identities Unknown

After the story was published by the local media, Law Enforcement received multiple Crime Stoppers tip that identified the persons involved. The Richland County Sheriff's Department was able to arrest two suspects in connection with lottery ticket thefts.

Both have been charged with Shoplifting and Lottery Fraud. One of the men was also charged with Obstruction of Justice after investigators were notified that he attempted to bribe a victim into dropping the Shoplifting charge.

Crime Stoppers of Oconee County

In early April of 2025, Crime Stoppers of Oconee County received a tip regarding illegal dumping. The tip stated that a business was dumping waste and debris on someone's private property without the property owner's permission. The tip included a photograph of the vehicle while it was dumping the items. The vehicle showed the business name clearly displayed on the door. This tip was forwarded to the Oconee County Environmental Services Bureau for investigation.

After reaching out to the business, it was determined that one of the employees had dumped the items without the owner's knowledge.

Officers from the Oconee County Sheriff's Office located the employee. The suspect was found in an abandoned building that did not belong to him. The suspect and two other individuals were found to be trespassing on the property. Narcotics were located with the suspects. One of the suspects was wanted on a probation violation and a handgun was located in the possession of a convicted felon.

This started as a simple littering tip; however, it ended with multiple arrests and charges against three different individuals. A small amount of narcotics was also discovered and seized.

This is a great example of how a citizen simply being aware of their surroundings for something as simple as littering can make a much bigger impact on making their community safer.

Crime Stoppers of the Pickens County

Pickens County launched the first Crime Stoppers program in the early 1980s. In March 2022, the program was dissolved for unknown reasons. After being elected Sheriff, Tommy Blankenship envisioned reviving the Crime Stoppers program in Pickens County. The revival process started in January 2025 and went live at the beginning of September 2025. Community members have been excited to see Crime Stoppers return.

The participating agencies in Pickens County include Easley Police Department, Pickens Police Department, Liberty Police Department, Central Police Department, Clemson Police Department, and Clemson University Public Safety. Representatives from each agency, who strongly support the program, are involved.

There are currently six Board Members, and we are always seeking more. We are organizing two fundraisers: a pickleball tournament and a softball tournament. The dates and locations for these events are still being finalized.

The Chairman of the Board created a donation letter for our program and distributed it in his neighborhood. So far, we have received about 10 donations from that area, and we are just beginning. Additionally, there are many opportunities to set up as a vendor at local festivals and events to promote Crime Stoppers.

Although we have not secured that big, successful arrest resulting from a Crime Stoppers tip yet, we are diligently working behind the scenes to ensure we are ready when it happens.

York County Crime Stoppers

Crime Stoppers Tip Leads to Major Drug and Firearms Seizure in York County

In June 2025, a Crime Stoppers tip set in motion an investigation that significantly enhanced public safety across York County. The tip reported large-scale marijuana distribution from a residence on Sturgis Road in Rock Hill. Acting on this information, the York County Multijurisdictional Drug Enforcement Unit promptly initiated an investigation and confirmed the suspect's residency.

Through diligent surveillance and follow-up, investigators identified ongoing activity consistent with drug trafficking. A second Crime Stoppers tip further revealed a delivery scheme in which illegal drugs were shipped to alternate locations and then transported back to the suspect's residence. This critical information strengthened the investigation and guided next steps.

On July 18, 2025, investigators conducted a knock-and-talk at the residence, which led to the issuance and execution of a search warrant. The results were substantial. Investigators seized large quantities of marijuana, THC, and psilocybin, along with multiple firearms, U.S. currency, and a significant amount of cryptocurrency. The investigation also revealed the clandestine manufacturing of THC vape pens intended for distribution.

As a result, the suspect was arrested and charged with multiple serious drug and firearm offenses, effectively dismantling a drug distribution operation operating within the community.

This case highlights the powerful impact of community involvement and proactive law enforcement. The actionable information provided through Crime Stoppers, combined with the coordinated efforts of the York County Multijurisdictional Drug Enforcement Unit, resulted in a meaningful disruption of illegal drug activity and a safer community for York County residents.
