### Remarks

---

The February monthly Club meeting was moved from Uno in Maple Shade, NJ to the Simeone Museum of Racing in Philadelphia for the evening.

Pete Cosmides opened the meeting with a greeting and a review of upcoming events. The calendar of events for 2024 is intended to follow the main events of the previous year with additional Pop Cruises, organized travel to outside events and impromptu events organized by members.

The March/April Newsletter will be published around the 1<sup>st</sup> of March, thanking Joe Marchione.

The evening was then turned over to Kevin Kelly, Curator for the Simeone Museum of Racing and founding member of the BMCSNJ, for an engaging presentation of the history of the British V8 engine.
