FREE: INDOOR CAR COVER

Large size indoor car cover (cloth). This was given to me, and I have no use for it. I do not know what it was made for, but it would fit a larger American car or maybe an old Jaguar. I had it on my Corvette for a short time, but not needed any more. I put it on my 4Runner just to take pictures and show the size. The price is right!

I can bring it to a meeting or event, or you can come and pick it up in downtown Shamong.
