## FREE: INDOOR CAR COVER

Large size indoor car cover (cloth). This was given to me, and I have no use for it. I do not know what it was made for, but it would fit a larger American car or maybe an old Jaguar. I had it on my Corvette for a short time, but not needed any more. I put it on my 4Runner just to take pictures and show the size. The price is right!

I can bring it to a meeting or event, or you can come and pick it up in downtown Shamong.

## FREE: BRAKE ROTORS AND PADS

I have a set of NOS brake rotors and pads here that were purchased for an Audi TT but I think cross reference to some British marques as well. The car is no longer in the family.

I can say for sure that they fit

2008 - 2011 Audi TT 3.2L      2009 -2015 Audi TT S      2012 2013 Audi TT-RS      Part Numbers are on the boxes.

I'd let them go to anybody who can use them. Well over \$400 new.
