FOR SALE: Early Triumph Spitfire Wheel/Tire

I have an early model Triumph Spitfire steel rim with the original Good Year G800 tire, I believe. Purchased it back in the early 70's and has been stored indoors ever since. It is pretty much rust free with the original paint. \$95.00

FREE: MGB stowaway roof with header (no frame) and foldaway roof with frame and header

It'd be great if you'd let your club community know that I want to give away the following items. Pick-up would be at my home in Bala Cynwyd, PA 19004.

1. For MGB, Robbins stowaway roof with zippered rear window (Moss p/n 242-665) with poorly attached header. The roof is new but my installation on the header went awry - the header is not positioned correctly. I threw in the towel and bought a new stowaway roof with the header already attached. Someone with more patience may yet be able to make this work. You'll have to supply your own stowaway frame.
2. For MGB, older foldaway roof with zippered rear window, header rail, and complete Michelotti frame. Was on my '71 B since 1990 or so. Side windows have been a bit pinched by the frame over the years, and the rear window is also scuffed, but roof is still functional and outward vision still acceptable. The car has been garaged for the preponderance of the time since the roof was installed, so it's in better shape than might be thought for its age.

FREE: BRAKE ROTORS AND PADS

I have a set of NOS brake rotors and pads here that were purchased for an Audi TT but I think cross reference to some British marques as well. The car is no longer in the family.

I can say for sure that they fit

2008 - 2011 Audi TT 3.2L 2009 - 2015 Audi TT S 2012 2013 Audi TT-RS Part Numbers are on the boxes.

I'd let them go to anybody who can use them. Well over \$400 new.
