FOR SALE: Pair of MG Magnettes – 1957 and 1959

I have two Magnettes for sale, a 1959 standard sedan (KAA 13 19185) and a 1957 Veritone (KABA 43/22704). I do not have the time to complete my plans for these cars as other projects have taken priority. I will sell them individually or together. I am looking for reasonable offers as they must go. Their descriptions are as follows.

1957 Veritone

Car is disassembled mechanically but complete. It has some floor damage especially below the rear seat and one rear shock mount. Surface rust is minimal. All parts are in containers and labelled. It comes with a rebuilt engine and transmission (plus a spare), new wiring harness, clutch, other miscellaneous parts, and refurbished gauges. All the glass is good. Car is mounted on a rolling carriage and can be pushed around. Car is worthy of restoration but, would be valuable for the sum of its parts. Transport is available.

1959 Standard Sedan RHD

Best described as a 40 footer, I take it to local coffee events and club events. It needs exterior body work and has blistered paint, Semifores work, gas gauge does not, has new battery, tires and brakes (installed by previous owner).

Reasonable offers considered, transport is available.
