Welcome Shooters . . .

On behalf of the P.I.T.A. Executive Committee, I would like to welcome you to the 2021 Annual Grand Pacific. We're so happy to be able to host this "annual" event once again. After a year of lock-downs and quarantines, we are finally going to be able to shoot together, visit old friends, make new friends, and participate in the PITA's biggest event this summer.

I write this as the last program letter of my presidency. I've been on this board (with the exception of one year) since 2006 and I'm completing my seventh year as your President. I tell you this, not because I think you're interested in my history on the PITA Executive Committee, but to get you to consider volunteering for your local club board, your state or provincial association board, or even the PITA Executive Committee. One thing I've noticed over these last 15 years is that we often have the same people filling roles on multiple boards. Most of us do this because we want to give back to the sport that has brought us so much happiness and it is very rewarding, but there should be more of us. Volunteering does not require a 15+ year commitment, it can be as simple as helping out at your local shoot.

Before I go, I would like to thank Billy Myers for his many years of service to the PITA. Billy has served on this board longer than any other person in association history. He is one of the few people I know who can help run a shoot and still shoot 100 straight in the middle of it. He volunteers to do anything and EVERYTHING. From sun-up to sun-down he's working and ensuring that the Grand Pacific (and other shoots) runs smoothly and he is always working throughout the year to do the business of the PITA. Thank you Billy!

Finally, I would like to thank Sue Brewer for her many years of service to this association. Sue served as our Executive Secretary from 1996 through 2016. After she retired from that position, she has served as the PITA Assistant from 2016 through May of this year. The PITA has changed a lot in these past 25 years and our association would not be as successful as we have been had it not been for the work of Sue Brewer. This was more than a job to her and it showed. When you see Sue this year, please take a moment to thank her for her hard work and dedication to our association, and wish her a happy retirement.

Good Luck and Shoot Well,

Jennifer Carter

EVERGREEN SPORTSMEN'S CLUB

President's Message...

Dear Fellow Trap Shooters and Guests,

Welcome to the 2021 Grand Pacific Trapshooting Tournament!

We at Evergreen have been working hard to deserve the honor of hosting this great event once again.

ESC staff, PITA Executive board members, and volunteers from other clubs have and will be laboring diligently to ensure your experience here is without issue.

A few items to note:

SCORING: The Dance Team will be back this year to continue their tradition of keeping score.

TRAPS: Scott Davis will be running (constantly) up and down the line ensuring the traps are giving you the targets you deserve.

TARGETS: The Target Setting Committee as well as the Trap Mechanics, will ensure your targets are set at the prescribed speed, height, and angle to aid you in raising your averages.

CAMPER AIR CONDITIONERS: I must remind you that due to electrical restrictions, air conditioners can only run on your generators.

RECOGNITION: Joel Ball, our Director of Trap, has been central to the many improvements you will experience. Let him know of your approval, as I sure have and will continue to do.

PITA ALL STAR TEAM

(see PITA Rulebook, pages 3-5 for 2021 changes)

At the end of the target year 11 five person PITA All Star Teams will be calculated. They will consist of, a top five team, two men's teams, two ladies teams, a veteran team, a senior team, an elder team, two junior teams (under 18 at the beginning of the target year) and a sub-junior team (under 15 at the beginning of the target year). Members of the respective teams are required to have met the following minimum target requirements (new for 2021):

Category	16 Yard	Handicap	Doubles
Lady	2200	2200	1600
Juniors-Sub Juniors	1500	1500	1000

Review additional criteria in the Rulebook.

Selection of the All Star Team is based on the shooter's ability as evidenced by their averages. The average is computed by dividing the sum of your singles average, handicap average and doubles average by three. Targets must include at least 100 singles, 100 handicap and 100 doubles each, shot at 6 (new for 2021) different PITA hosted shoot locations. Cross registered targets shot at an ATA sanctioned event and submitted to the PITA will not be counted in the 5 club requirement for All Stars.

All members of the respective teams are required to participate in the High All Around (200 Singles, 100 Handicap and 100 Doubles) events at a minimum of three (3) MAJOR PITA shoots (new for 2021). See Online Rulebook page 3 for details.

SCHOLARSHIPS ARE MADE POSSIBLE BY YOUR TAX DEDUCTIBLE DONATIONS. PLEASE CONSIDER A DONATION TO OUR SILENT AUCTION. CONTACT SUE FOR MORE INFORMATION: 541-258-8766.

CHAMPIONSHIP SINGLES TEAM COMPETITION

concurrent with events #11 & #13

Build your team...start now!

Assemble the best team for your State or Province. Contact your State/Provincial Secretary to let them know your team members - **only three teams are allowed per State/Province so do not delay.**

Team members must register by Thursday morning, July 29TH at 8:00 a.m. **A complimentary team photo can be taken during trophy table hours.**

Teams will be comprised of one shooter from each class, AAA, AA, A, B, C, D. The team with the highest total of combined scores for Events #11 & #13 will be the 2021 winning team. Each member of the winning team receives a range bag designating them as a Grand Pacific Singles Team Champion.

A shooter's class will be as initially handicapped at the 2021 Grand Pacific Tournament. Shooters must be residents of the State/Province for which they are competing with the exception of D class. If a D class shooter from a State/Province is not available a D class shooter from another State or Province can be substituted (floater). If a team cannot be formed because a shooter is not available in a certain class, a shooter of a lower class may be substituted. Example: Class A shooter is not available, a Class B, C, or D shooter may substitute for the missing class, (a Class AA shooter cannot substitute for an A shooter, etc.). Each shooter can be a member of only one team.
