Create an angel castle with giant wings extending out from the base of it!20. Create a Warhammer inspired castle!21. Create a spikey fortress with golden rooftops!22. Create the castle of time! The place where father time lives!23. Create a castle that is inspired by the words: Terrible!24. Create a wizard castle!25. Recreate Hogwarts!26. Create a fortress that is in a lake with a giant waterfall behind it!27. Create an ominous castle entrance with giant blackstone walls and red banners!28. Create a fortress around a giant spire!29. Create a tree-castle! It's part of nature, and protected by nature!30. Create a winter fortress!31.

Create a hidden castle!32. Create a fortress with a beacon on top!33. Create a crystal castle!34. Recreate the Crystal Empire castle from My Little Pony!35. Create a castle in the clouds!36. Create the castle of the dead, and surround it by a graveyard! O: spooky...37. Create a futuristic castle!38. Create a medieval castle in space, flying around using ion engines!39. Create a castle where we praise water!40. Create a castle inside a giant glass sphere!41. Create an up-sidedown castle with glass floors!42. Dig a castle into the ground!43. Create a fortress on top of a giant dam!44. Create a castle on the edge of a waterfall that goes into the void!45. Create a tiny orge fortress!46.

Create a sanctuary from the wasterland world!47. Recreate the Disneyland Castle!48. Create a castle with a giant dragon protecting it!49.

Create a fortress tower with a serpent clinging onto it!50.

Create a castle with a giant bridge leading to a beautiful outlook over the landscape!51. Recreate Burg Eltz from Germany52. Recreate Trakai Island Castle!53. Recreate Egeskov Castle54. Recreate Neuschwanstein Castle!55. Create a castle of the undead souls with a ominous blue light!56. Create a castle using only 3 block types!57. Do the 1-block challenge and make a castle!58. Create a japanese inspired fortress!59. Create a castle that could've been part of the wall of China!60. Create a castle that is being burned down by dragons!61. Create a burned down castle!62. Create an abandoned castle where nature has taken over!63. Create a tiny fortress outpost to rival the pillagers outposts!64.

Create a castle using only square shapes!65.

Create a castle using only circle shapes!66. Create a castle that is made from a triangle shape!67. Recreate the Eilean Donan Castle!68. Recreate the Corvin Castle!69. Recreate the Palace of Pena!70. Create a castle that follows a brutalist arcitechture!71. Create a castle that is built around a giant statue of a knight!72. Create a classic fantasy castle with a giant tower in the middle, and a princess in that tower!73. Recreate the castle from Romeo & Juliet74. Create a castle on the back of a Giant mushroom!75. Create a mushroom castle with Mooshroom guards!76. Create a castle on the back of a giant flying whale!77. Recreate the middle part of the city from Atlantis: The Lost Empire!78. Create a castle being held up by three giant statues!79. Create a tiny castle where you can meditate80. Recreate the Dover Castle!81. Create a flower castle!82. Create a castle of gold for you cat!83. Recreate the Château de Chambord castle!84. Recreate tge Predjama Castle!85. Create a castle that uses the same architecture as the Notre Dame!86.

Create a gothic castle with living spaces for bats!87.

Create a pig castle, where pigs, piglin, hoglins, and zombie variants can live in peace!88. Create a castle for your villagers!89. Transform a village into a super-village with a giant cobblestone castle for everyone to be safe in during raids!90. Create a castle being held in the hands of a dragon statue!91. Create a castle with oval shaped roofs!92.

Create a dwarven underground castle!93. Recreate the Royal Palace from Cambodia!94. Recreate Edinburgh Castle!95. Recreate Bodiam Castle!96. Recreate Peles Castle in Romania!97. Create a castle that is made out of books!98. Create a castle made out of water and ice!99. Recreate Elsa's castle from Frozen100.

Create a mega-castle with lots of trebusches and redstone defenses to both attack and defend!100 Nether Ideas!Ideas for the builders who enjoy the warm 'weather' in the down under1. Create a portal with swirling blackstone in front!2. Create a creepy entrance for the Nether!3. Create a very hot swimming pool :'D4. Create lava pillars!5. Create giant Warped tree's that shoot up from the lava!6. Create your own Overworld fortress to fight the Nether fortress! >:D7. Create a wither skeleton farm!8. Create a piglin trading system!9. Create a gold-farm!10. Create a TNT mineshaft to search for ancient debree!11. Create a house hanging from chains in the nether roof!12.

Create a ghast catcher!13. Create a dragon skeleton in the soulsand valleys!14. Create a giant statue of the wither!15.

Rebuild the nether fortress to be way scarier!16. Steal a bastion and make it your home! :)17. Create a Strider residential area18. Create an ice-road!19. Create a strider-rider service!20.

Create a fortress that can shoot firecharges back at those annoying ghasts!21. Create a volcano in the nether!22. Create a blaze fortress!23. Create a piglin fortress!24. Create a piglin apartment where they can live in peace25. Redesign the warped forest to look like the overworld forests!26. Go to the nether roof and create a railway to x=420 z=69 27. Create a giant devil statue!28. Create a theme park with a strider carrousel!29. Create the library of the dead!30. Create the damned's fortress!31. Create a dead forest using Basalt and warped fences!32.

Create an outpost using the Lothestone!33. Create a completly mob-proof nether base with a respawn anchor to be sure!34. Create a transport system that can take items between the nether and overworld!35. Create a wither crystal!36.

Create a dungeon with Netherite as the gift for completing it!37. Create a giant wall with lots of dispensers to keep all unwelcome guests out!38. Create a house inside a warped tree!39. Create a giant machine that drills and destroys the nether!40. Convert as much of the nether into an overworld look-alike :D41. Create a giant Nether Monster Truck!42. Create a ghast hotel!43. Create a giant statue of a Ghast and live inside it!44. Create a nether brewing house!45. Create the Evil Wizard, John, evil wizard Nether house!46. Create a vacation get-away...

In the nether... Not sure how pleasent that is :'D47. Create a Soul chandelier48. Create the embodyment of death in the soulsand valley!49. Create a giant drill, suspended with chains from the nether roof!50.

Create a nether rollercoaster that take you by all the mobs!51. Create a giant trading hall in the nether!52.

Create the Nether Mall where you can buy stuff from the nether :)53. Create a house where there's a warped tree growing out of it!54.

Create a netherite conveyer belt!55. Create a giant poluting factory in the nether!56. Make giant chimneys that spew out acid smoke! >:D57.

Create a nether highway!58. Create a meat rack with soulfire underneath to cook that meat well59. Create a nether Maze with wither traps >:D60. Create a suspended jail!61. Create a rocket that has broken through the netheroof!62. Create a throne for the chicken king of the Nether! All hail mr. Buttchicken!63.Create a huge undead pirate ship, roaming the soulsand valleys!64.

Create a lava-ship!65. Create a nether village, and try to transport villagers into the place so they can live there.66. Or create a prison village for all the nitwick villagers :)67.

Lava Aquarium with striders inside! :D68. Create a Pagoda going from the bottom of the nether, to the top of the nether!69. Create a scary museum in the nether, for Herobrine myths and more!70. Create a throneroom for the king of the Nether! Mr. Buttchicken!71. Create a giant nether Phantom (Red instead of blue) and live on the back of it!72.

Create a nuclear powerplant that uses Soulsand as fuel! A Nu-soul-clear reactor! O:73. Create an extreme Spleef arena where you bet your items that you can win over the other player!74. Create a netheroof castle - Basically an upside down castle with lava!75. Create a nether temple, to all hail the Wither!76. Create an undead altar with skeletons surrounding it!77. Create a sauna that is way too hot :'D78. Create the Fort Knox of Minecraft, suspended over a giant pool of lava!79. Create a netherwart farm!80. Create an Obsidian farm!81. Create an upside down Eiffel tower in the nether!82. Create an audiutorium to listen to Pigstep in!83. Create a giant Nether Theater where you use piglins as actors! :D84. Create a Steampunk factory in the nether!85. Create an evil version of yourself that lives in the nether!86. Create a skyscraper that goes through the nether roof!87. Create a piglin blacksmith in the nether!88. Create a monorail going through the nether, as if it was a tourist attraction! :D89. Create Dr. Who's Tardis, in the nether :D90.

Create a hell's bells tower!91. Create an AC/DC concert, in Hell! :'D92. Create a helltaker inspired puzzle!93.Create a wanted piglins list! 94.

Create a wild-hell-west town!95. Create a phantom cage in the nether!96. Create the school of hell! Teach them newbies about the do's and don't's!97. Elytra replacement facility!98. Create a nether ice parkour over a giant pool of lava!99. Create Cuthulu, if it was the god of nether!100. Create a pizza oven that uses lava to heat up the delicious cheesy snack!100 End Ideas!Ideas for the end-game survivalist that has it all figured out! .1. Rebuild an endcity to praise the endermen!2. Use the shulkers to create a levitation elevator!3. Blow up an end-city and build a new one with the materials that are left!4. Create a giant enderman farm!5. Create an enderman safe platform!6. Create your overworld house, only using blocks from the end dimension!7. Create an elytra course between two end cities!8. Create an End-garden!9. Create a giant statue of an Ender-Guard!10. Create a nest for the Ender Dragon!11. Create an un-climable end pillar!12. Create a rollacoaster that throws the driver over the void, but catches them in the last second!13. Create a super bridge between all the End Island!14. Create an Island getaway in the end! :D15. Chorus tree farm!16. Chorus fruit teleportation training course! :D17. A puzzle where you have to use chorus fruits to get the different pieces!18. Create an end-elevator that takes you up to the overworld!19. Create biome specific islands!20.

Create a spaceship to roam the End islands!21. Create a futuristic base!22. Create a beacon light show that fits perfectly with the dark/purple background!23. Create a moon in the end sky!24. Create a pirate version of the End Ships!25.

Create a giant pacman that is eating the cheese island!26. Create a cheese factory that uses the endstone as cheese ingredients!27. Create a giant dragon to battle the ender dragon!28.

Create a nether portal in the end :))29. Create a nice home and sleep in the end for an easter egg!30. Create a player launcher that can fire you into the End portal!31. Create an enderpearl launcher!32. Create a flying house that'll get you to the nearest end City!33. Rebuild an End City into a Cyberpunk city!34. Cyberpunk themed buildings would fit in very well with the end-sky!35. Create a giant viper that holds up and end-island!36.

Create a shrine for the Dragon egg!37. Create a camera crew that can turn your Enderdragon battle into an epic action movie!38. Create a B-52 Bomber that will kill the enderdragon by TNT bombing it!39. Create a giant lamp to light up the end sky!40. Create a sun to light up the end!41. Create an enderman water-park!42. Try and get your pet Ghast into the end!43. Create a mob tourist beurau where you offer hotel stays and sightseeing for mobs!44. Create a giant pipeline transporting water over the void!45. Create an enderman highway!46. Create housing for endermen, where they can live happily :)47. Try and lure a Warden into the end portal, and then build a fighting cage for him to battle Endermen!48. Create a giant gladiator arena in the end, where only the strongest will survive!49.

Create an endermen army!50. Create a military outpost in the end!51. Create a giant, enderman proof, wall around the End Portal!52.

Create a hair saloon for endermen :'D53. Create a massive farm in the end, so it doesn't take space in the overworld!54. Create a flying ketchup bottle that drops lava on endermen!55. Create the Enderman test facility from the Minecraft Storymode games!56. Create an End street market where you can buy everything from the end!57. Create a secret Enderdragon Cult hideout!58. Create a ruined End temple with lots of treasure and traps!59. Create an enderman safety house, where they can hide from the dragon!60. Create an enderman village!61. Create an SCP facility in the end!62.

Create a secret base for the rare White Enderman! O:63.

Create a dragon circus where the Enderdragon car perform tricks and fly through hoops!64.

Create a wizard store in the End!65. Create a pet store in the End that sells endermites as pets :D66. Create an elytra shop with various elytra's and try on elytra courses!67. Create a system that transports loot from the end city to a nearby base of operation!68. Create a giant End themed tree, with tree houses for the endermen!69. Create an exploded nuclear reactor that turned normal people, into endermen!72. Create a drone that is controlled by endermen!73. Create a giant dam in the end that can get rid of the endermen in an area74. Create a giant power plant that sends it's electricity to the overworld!75. Create a giant oilrig that mines into the void, for Void-oil!76.

Create an enderpearl dispenser where you pay 1 iron for 1 enderpearl!77. Recreate the Death Star in the end!78. Create a hospital for wounded endermen!79. Create a subway station that leads you away from the Enderdragon island!80.

Create a space-ship airport where they can take off and land!81. Create a giant tribute statue to the Shulkers!82. Create a dark version of your overworld base!83. Create an enderman sphinx84. Create a Japanese garden that praises the dragon!85. Create an icebiome with giant ice caves where the ender-snow-men live!86.

Create the mad clock man's mansion in the end!87. Time is nothing in the end, create a giant floating grandfather clock to represent the meaningless of time!88. Create a giant banner factory that produces enderman battle flags!89.

Recreate the original Slenderman, but in the end! O:90. Create an End-mill! It's like a windmill, but in the end harvesting the power of the void!91. Create an unside-down End pyramid in clean white concrete, maybe with a black concrete counterpart!92. Create a UFO in the end!93. Create a Super Sphere that slowly expands in the end!94. Create a black hole in the end!95. Create a Star Wars inspired end village!96. Create a fireworks show in the end!97. Create a high-risk high-reward parkour course over the void!98. Create a King Viper that battles the Ender Dragon!99. Create a ruined city that was devastated by multiple attacks from the Ender dragon!100. Create abandoned End mines, carved into the belly of the end islands!101 Random Ideas!Ideas for the crazy builders that want to make something weird!1. A penguin shooting an AK-47!2. Mail tube system where you can send written books to different houses!3. A village filled with snowmen, that have pumpkin seed weaponry!4. A giant hold-out for the zombie apocalypse!5. An inverted skyscraper! Earth-scraper :'D6. A giant flying crane that can steal ice cream trucks from the stratosphere!7. A cute penguin wrapped in a blanket!8. Create a school for mutant creatures!9. Create a giant statue holding up the Titanic, thus saving it from hitting the iceberg!10. Create a hammer smashing pumpkins!11. Create the alphabet, but it's skyscrapers!12. You've found water-melonium! Create a melonium-reactor!13.

Create a giant city hall with a golden globe in the middle!14. Create a lake of liquid waste, waving through a metropolis forest15. Recreate mount Everest16.

Create a medieval castle, but it's inside a glass sphere with rocket boosters in space!17. Create Elon Musk!18. Create a giant book being read by the Turtle of Knowledge!19. Create a giant pickle and call it Rick20. Create a giant opera house, for death metal concerts!21. Create statues of you and your friends!22. Create a city that only uses circles!23. Create an alien hospital where all the wounded aliens who crashed on earth can recover!24. Create a duck-sized plane in an airport!25. Create a plane sized duck in a dam!26. Recreate a picture from WW227.

Create a medieval house that is hanging over a cliff-side!28. Create a church that is being eaten by Cthulhu!29. Create a lightning striking a sheep, turning it into a zhoombie!30. Create a giant sword stabbing the world!31. Create a fork that is stuck in a stone! Good luck pulling that out!32. Carve a goat-head into a mountain and call it a Mæææountain33. Create a shrine for pigs!34.

Fishing boat that catches space whales! In space!35. What would an Email being sent look like?36. Create a Chinese restaurant that sells burgers :'D37. Create a McDonalds resturant ... Under water! 38. Create a useless box!39. Create a cardboard heaven for your cats!40. Create a giant dog park where all the wolves and dogs can play together!41.

Create a chicken farm that is controlled by Cows?!42.

Create a giant chicken riding the enderdragon towards a giant statue of Steve!43. Create a music book with notes flying out of it!44. Create a reverse bakery where you bake a cake, give it to them and get money for it!45. Create a clothing store where they sell clothe for creepers!46. Create a panic room! Then panic!47. Recreate a map from Counter Strike, and then play Fortnite on it :))48. Create a Roblox map in Minecraft :'D49. Create tribal camps around your world, then leave the world and come back after a year!50. Create a step by step house to show your friends how to build!51. Create a drawing pad with a meme on it!52. Create a super-structure only using copper blocks, and the various copper-variants!53. Build elytra wings for charged creepers! Imagen just walking when all of a sudden you just get hit by a creeper with an elytra!54. Create the first plane in the world!55.

Build a glass structure that looks like a diamond, and then fill it with dirt!56. Create a cobalt mine, but where the conditions are actually decent57. Create a house made out of asbestos! But avoid staying in it for long periods of time!58. Create your favorite soda in Minecraft!59. Create an abstract self portrait in Minecraft!60. Do your homework... In Minecraft?!61.

Create a massive mob tower where each level represents a new mob!62. Create a giant mob-zoo where you can see the different mobs Minecraft has to offer!63. Create a car that is drifting on water!? Jesus car, drifting, on water!64. Create a bacon tower!65. Create CJ from GTA SA!66. Listen to your favorite song...

Then build that song in Minecraft!67. Build what you think the word: speciallægepraksisplanlægningsstabilliseringsperiode means (Yes it's a word)68. Create a giant golf course where you launch creepers and try to make the hole explode!69. Build the funny number70. Create the Alien Inn, where we serve all the drinks in the galaxy! (Good luck listing them)71. Create a giant Pusheen statue!72. Create a statue of Ahsoka Tano from Star Wars the Clone Wars!73. Create a problem, then solve it! :D74. Create a villager launcher that can make pillagers go away, using villagers as bait >:)75. Recreate the tallest structure in your area!76. Recreate your nearest above ground train station... Then put it underground as if it was a subway!77. Build your keyboard in Minecraft!78. Pick up the nearest food item, build it in Minecraft, and attach rocket boosters to it! :)79.

Create a whiteboard... They are quite re-markable *ba-dum tssh*80. Build a Pagoda with a giant rocket booster at the bottom!81. Merge a Ship and a Car together, then try and build it in Minecraft!82.

Take the slowest animal in the world, and the fastest animal - Merge them together and build it!83. Create a volleyball, then use it as a football!84. Create a giant beach ball and then throw it into a pool of lava!85. Recreate your own bed and then sleep in your own bed- In Minecraft!86. Create a giant shelf with all your best Minecraft memories on it!87. Create a copy of your most loved base ever, and then 3D print it! :D88. Find a painting in your house and then replicate it in Minecraft!89. Recreate the music video from a popular song on YouTube! Then you'll get a free copyright strike :')90. Create a giant kraken attack a super-pirate ship!91. Create a Dinosaur zoo... But the dinosaurs have guns?! D:92. Create a rip off of Top Gear called Bottom Gear93. Recreate your mom or dad's car, and then put it in space like Elon Musik did!94. Create a wild rafting river where your minecraft boat skills will be put to the test!95. Create a Diamond shaped fortress, floating over the lost treasure of mr. ButtChicken96. Remember Titanic? What if a giant alien with an AK-47 shot the iceberg to pieces, and then ate the Titanic?97. Create a piano that plays itself!98.

Create a giant mech-suit that you can battle off the alien who ate Titanic!99. Create a sumo ring where you try to stay on it, while creepers try to explode you off!100. Create a self destruct button in your friend's house, then label it as "press for free cookies!"101. Create a giant sign saying "We appreciate your existance" in front of your friend's house! Especially if they're having a hard time, then take a little time to be there for them :)Notice:Some of the ideas are very similar, if not almost the same, but I did my best to double-check it. If you do find 2 ideas which are the exact same, please point them out in the comments so I can fix it. ThanksThat's it!You now have 1001 things to build in Minecraft!If you found an idea you liked, and actually made it, I would love to see it! Leave a screenshot of it in the comments if you want :DOther than that:Have a great day, and stay safe! :)
