CRDC and CARE community wide events and projects

Sponsor multiphasic blood screening events twice a year for the community

Multiphasic Blood Testing is BACK!!

Wellness Blood Screening

Sponsored By:
C.A.R.E

Saturday

April 23, 2022
7:00 am – 10:00 am

ST. TIMOTHY'S HALL
306 WALNUT ST
CURWENSVILLE, PA

A Multiphasic Screening or "Multiple" Screening blood test is a group of 2 or more diagnostic blood tests grouped together for the purpose of detecting disease at an **early** stage. By providing a comprehensive snapshot of your current state of health, a blood screening can catch potential health problems such as diabetes, heart disease, and kidney disease, in their early stages when they can be managed most effectively.

**NO INSURANCE NEEDED!
NO PHYSICIAN ORDER NEEDED!
NO APPOINTMENT NEEDED!!**

Blood Testing Offered

- Multiphasic Blood Test \$45.00**
 - Includes a CMP, Lipid Profile, & CBC
- Home Test Results \$5.00**
