## Core Competencies

- Full-Scope Construction Supply Solutions: HVAC, electrical, plumbing, and general construction materials tailored for each phase of your project
- Rapid Response & Logistics: Agile distribution system ensures on-time delivery to avoid costly delays
- Material Bundling for Multifamily Units: Streamlined kits for unit turnarounds, renovations, and large-scale developments
- U.S.-Based Sourcing: Products sourced domestically to enhance quality, pricing, and lead time
- Partnership-Driven Procurement: We customize supply chains that scale with your growth

## Differentiators

- Triple-Certified (WOSB, Minority, HUBZone): Meets federal and state diversity goals—ideal for prime and subcontracting opportunities
- Community-Focused Impact: We empower second-chance citizens and veterans through meaningful employment and training
- Local + National Reach: Centrally located in Jacksonville, FL with logistics channels ready for regional and interstate deliveries
- One Vendor, Multiple Solutions: Your go-to source for HVAC, electrical, janitorial, and more—eliminating the need for multiple suppliers
- Emergency Fulfillment: Expedited services available for urgent repairs, disasters, or last-minute project needs

## Summary

The highly capable team at SNS Enterprise Group leverages efficient supply chain systems, strategic sourcing, and responsive logistics to deliver high-quality materials to construction job sites and multifamily properties. With a strong commitment to social responsibility and economic development, we prioritize U.S.-manufactured products and community-driven employment. Our customer-first approach strengthens project timelines, improves cost-efficiency, and builds long-term resilience in the construction and property management sectors.

## Past Performances

- Agape Health: Supported medical facility buildout with precision-scheduled material drops
- Pinnacle Communications Group: Supplied hardware and acrylics for office renovation
- Confidential Multifamily Developer: Delivered 200+ custom material kits for apartment unit renovations
- Stellar Energy: Stellar Energy: Delivered materials and signage for ocean-bound energy infrastructure
- JSEB: Materials for the Entrepreneurial Workforce Development Center
