Dear Valued Partners,

I am excited to share important news about the future of BAG Corp and introduction of Fast Pro Bags and Textiles, Inc. We are proud to announce that BAG Corp has officially joined the **United Bags** family. This partnership brings together two organizations with rich histories, shared values, and a deep commitment to excellence and tradition in bulk packaging.

Founded in 1969 by **Robert Williamson**, BAG Corp has been a pioneer in the bulk packaging industry. As the originator of the trademarked **Super Sack®** container, our patented **FIBC** (Flexible Intermediate Bulk Container) designs continue to set industry standards for quality, safety, innovation, and efficiency.

This transition reflects our dedication to preserving BAG Corp's legacy while expanding our capabilities to better serve your needs.

Our manufacturing operations in Mexico will continue under the new name **Fast Pro Bags and Textiles, Inc.**, maintaining the same tax ID for your convenience. Under this new banner, we remain committed to delivering the same high standards of quality, safety, innovation, and operational efficiency that you have come to expect from us.

Leadership Changes:

- **Jodi Williamson Simons** – Chief Executive Officer, bringing over 30 years of visionary leadership at BAG Corp.
- **Dyrle Whipple** – President, with over 30 years of dedicated service at BAG Corp, will oversee operations and sales to maintain our exceptional standards.
- **Oscar Perez** – Vice President of Finance, leveraging nearly four years of financial expertise and production management experience at our Mexico facility to drive operational excellence.

We deeply value your continued partnership and trust. I look forward to working together to unlock new opportunities and build an even stronger future.

Sincerely,
