WHAT IS EQ?

Emotional intelligence (EQ) is the capacity to blend thinking and feeling to make optimal decisions — which is key to having a successful relationship with yourself and others.

EQ TRAINING

EQ trainings are based on EQ assessments that help participants to get complete insight of their brain styles, talents and opportunities to grow personally and professionally.

Based on SEI-EQ Assessments

EQ COACHING

The leadership coaching is based on EQ assessments. Leaders get insight about their own emotional intelligence competencies, strengths and success factors.

EQ WORKSHOP

These EQ workshops are highly interactive and transformational. EQ workshops designed to help your employees thrive and excel at the workplace.
