

43 yr. Female, 12/3/1982

Guest Suite Agreement

Tulsa Surgical Arts provides a courtesy guest suite for overnight stay at the discretion of our medical staff. Since TSA is an outpatient care facility, our suites are strictly for the convenience of our patients. **Patients staying in the suite are considered discharged from our surgery center, therefore, TSA and associated employees are not held responsible for patient care after normal operating hours.**

One adult sitter (over the age of 18) is required to be present and capable of the patient's care while staying in the guest suite. In the event that you are unable to obtain a sitter, one can be provided for a fee of \$300 if available. The sitter fee is to be paid directly to the sitter not TSA (cash or check only).

Please treat the courtesy suite with respect and care. We hope TSA has provided a pleasant experience for you.

Please fill your prescriptions before your surgery date and bring them with you.

1. Patient, sitter, and guests are not allowed to smoke or use any alcohol or illegal drugs.
2. Tulsa Surgical Arts is not responsible for any lost or stolen items. Please leave jewelry and non-necessity items at home.
3. Tulsa Surgical Arts is not responsible for any injury or accidents to persons while staying or visiting in the courtesy suite.
4. The patient will be responsible for any damages to the suite that occur during his or her stay.
5. Children under the age of 12 are not allowed to stay overnight in the guest suite.
