

## FYRE'D UP

FYRE'D UP is a delicious naturally caffeinated weight loss powder that helps control cravings while boosting energy and metabolism. When you feel a midday craving coming on or you need that extra energy to get the work done...then it's time to get FYRE'D UP!

**Chromax®:** A clinically studied chromium picolinate that is supported by over 35 human clinical studies. Studies have shown that Chromax® can control appetite, assist in weight management, and help improve body composition.

**L-Carnitine:** A naturally occurring amino acid derivative that has been used heavily for weight loss. L-Carnitine has been shown to reduce fatigue during exercise to help you work harder!

**Green Coffee Extract:** Natural source of caffeine that helps boost energy and focus. Some consumers say that green coffee bean does not provide "caffeine jitters" which can often occur with caffeine anhydrous.

**Conjugated Linoleic Acid:** A combination of healthy fatty acids that has been studied for its ability to preserve lean muscle mass during weight loss.
