Luther League Scholarships

We are proud to introduce our 2015 SELC District "Luther League" scholarship recipients! In 1953, the Luther League - - the official youth organization of the SELC District - - began a scholarship fund to encourage higher education for SELC youth with leadership potential. Thanks to generous donations from our SELC youth groups, scholarship alumni, and friends, we were able to award three \$750 scholarships this year:

**Jeannelle Condamé – St. Luke Lutheran Church, Oviedo FL:** Jeannelle is entering her sophomore year at Concordia University Nebraska, where she also plays soccer. Her future plans include becoming a Lutheran preschool teacher, and she spent a summer working at St. Luke's preschool. While in high school, Jeannelle served on her congregation's Youth Leadership Committee which planned events and retreats, including devotions, games, and activities. She enjoys spending much of her time at school, church, and playing soccer - - which she has played since she was 3 years old.

**Dan Hasko – Pentecost Lutheran Church, Racine WI:** Dan will be attending Concordia University

Chicago this fall, where he will play soccer and be involved in the wind symphony. He is planning on majoring in Journalism with a minor in Spanish. He has used his talents playing many instruments including trumpet, guitar, and piano for worship at his home congregation, and also led music at Luther League gatherings. Dan is the Social Media Director for the Luther League, which entails managing our website, Facebook, and twitter accounts.

**Katie Kube – St. Lucas Lutheran Church, St. Louis MO:** Katie is entering her freshman year at Southern Illinois University – Edwardsville and intends to major in Business. She has enjoyed attending Luther League circuit ski trips in Wisconsin, being involved in other youth activities such as her congregation's annual play, and singing in t. Lucas' praise team. Katie is the Vice President of Stewardship for the St. Lucas congregation, and has participated in many fundraising activities including the congregation's Brazil Mission Trip.

If you would like to help support more young people like Jeannelle, Dan, and Katie, please consider a gift to the Luther League Scholarship Fund!
