*A Tribute from the Mothers, Teens, Children and Fathers
of the
Southeastern Region of Jack and Jill of America, Incorporated*

In Loving Memory of

*Dr. Lynda Perry Carroll
National Corresponding Secretary, 1990-1992 and Southeastern Regional Director, 1987-1989*

A Mother, Grandmother, Mentor and Friend...

- *Whose leadership in Jack and Jill was a manifestation of her love for the children.*
- *Whose compassion, grace and spirit were the wind beneath our wings and the beat in our hearts that inspired us to emulate her strength,
her courage,
her example,
her commitment,
her dedication,
her faithfulness and
her love,
and encouraged us to strive to become the servant-leaders who would fully embrace the objectives and aims of Jack and Jill of America, Incorporated.*

We are forever grateful to God that He allowed Dr. Lynda Perry Carroll to be a beacon in our lives. We will be forever grateful for her guidance, her friendship, her confidence, her mentorship, and her leadership.

As we embraced her ideals and followed in her footsteps, may we pass on the legacy of leadership in the Sweet, Sweet Southeastern Region, making the path straight for those yet to come.

With Appreciation, Admiration, Love and Fond Memories.
