# JOY LOVE PITTMAN

## INTERIOR DESIGNER

Experienced brand management and events professional transitioning into the interior design industry, and eager to join an innovative company that fosters creativity and inclusivity. With a collaborative work ethic, meticulous attention to detail, and over two decades of experience in sales, planning, management, and logistics; I excel independently executing projects in fast-paced work environments while preserving the bespoke nature of each task. My skill set encompasses BIM design, conceptual boards, sourcing, space planning, project management, client relations, and an extensive knowledge of textiles, fixtures, and fabrics.
