

## Lyin' (2024)

You were never there when I needed  
Guess I wasn't a client  
Spent my childhood believin'  
And all that time I was lyin'  
To myself  
Oooohhh lyin' to myself  
Oooohhh lyin' to myself

Finally quit tryin' to change you  
It was so hard to see  
Then I had my own breakthrough  
With you I couldn't be me  
And now I see  
Oooohhh lyin' to myself  
Oooohhh lyin' to myself

I'm finally free  
I'm finally free  
I'm finally free...

Free...lyin' to myself  
Free...lyin' to myself  
Free...lyin' to myself
