### Blue Christmas Service

Hosted by Turner Christian Church  
3pm-4pm, December 21st, in the Dining Hall

*The Christmas season can be difficult for those with hearts that are hurting because of loss, isolation, unexpected life changes, and many other reasons. The message of Christmas, however, is not just for those who feel jolly and merry. Christmas is meant to be a source of hope for those who mourn. "Blue Christmas" is a prayer service designed to bring comfort, hope and peace to those who need it most. If you are in need of comfort this Christmas season, we encourage you to join us for this service.*

There is a **barrel** in the dining room entryway for the **Turner Fire District Toy & Food Drive**. Accepted donations: non-perishable food items, toys for children of all ages in original packaging. Turner Fire District also accepts cash donations, paid directly to the station. All donations stay in our community and are much appreciated.

### Prize Box!!!!

These are Christmas Carol Bloopers. Guess the title to the Christmas carol from these lyrics given by children. **Prize** to all who turn in correct answers to Laurie

### Preparing Your Heart for Christmas with Gratitude...

What do you do when there is going to be a special event or company in your home? Do you make special preparations, special foods? Do you clean extra deep and decorate?

Entering the season of Advent, there is a whole lot of preparation going on in anticipation of the birth of our savior. Advent is about preparing, but not just about decking the halls in festive lights, ribbons and sweet, decadent aromas, it's also about preparing our hearts. How do YOU prepare your heart for Christmas? Are you overburdened and anxious? Do you complain about the crowds and traffic? Are you a SCROOGE? Is grumbling easier than gratitude?

A question asked recently by Pastor Barry Lind of Northwood Christian Church, "Do you need to change your focus from your circumstances to the goodness of God that is all around you?"

Preparing for the birth of our Savior is submersing ourselves in God's goodness. It's serving others as he did. It's counting our blessings not our burdens. A famous song from Irving Berlin's "White Christmas" says, "if you're worried and cannot sleep, count your blessings instead of sheep, and you'll fall asleep, counting your blessings,"

Recently, we asked residents to name 5 blessings they were grateful for. The list is below. If you find yourself getting burdened, read through the list again and come up with your own. Philippians 4:8 says: "Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things." (and thank God for such things!) Gratitude is good heart medicine! **MERRY CHRISTMAS!**
