I would like to welcome and thank you for exploring the possibility of becoming a resident of Turner Retirement Homes. TRH has a wonderful history of providing a Christian community for those in their retirement years. As you browse through our information and tour our grounds we encourage you to ask questions. TRH is a very unique facility. Our independent living units include apartments, cottages, duplexes, manufactured homes, and houses. They come in many sizes, from one-bedroom to three-bedrooms. We offer different areas in Turner to live. A great group of people have chosen to become a part of Turner Retirement Homes and they are anxious to share what they have discovered here with new residents. Living in a Christian environment has many more values than I can list here. Come and join us as we serve one another and live for the Lord.

Benevolent Christian Community

Mission Statement: Providing a caring community for Christians in Retirement

Our History

In 1933 Judith Turner donated lands and funds to establish Turner Memorial Home. Influenced by the needs that surfaced in the depression era, she used her resources to provide benevolent housing for retired ministers and missionaries.

Today

Just as the economic picture of the 1930's evolved to what we have in the 2000's, so the ministry of Turner Memorial Home has evolved to that of Turner Retirement Homes (TRH). Rather than just fundamental housing, a variety of housing options exist today. However, TRH has not lost its essential purpose—benevolent housing for Christians in need.

Our Residents

The residents of TRH come from all walks of life, and all economic backgrounds. Ministers, missionaries, and other church workers find the Homes provide a unique living opportunity. Our residents enjoy outings, exercise, crafts, Bible studies and many more activities in an affordable Christian community.

Housing at TRH

There are a variety of living options offered at TRH: houses, cottages, duplexes, and apartments. We have homes available in different areas of Turner neighborhoods. We have home styles to fit any need.

The Church, TRH and YOU!

Although residents' fees are a substantial portion of the monthly income, a considerable portion comes from churches and individuals. TRH and the churches work together to provide what could not adequately be done alone. It is a ministry of caring for God's people together.

We believe

We believe in one God,¹ Who is Creator of all things.²

We believe in Jesus Christ, the only Son of God,³ the eternal Word,⁴ the one and only Savior;⁵
Who was conceived by the Holy Spirit,⁶ born of the Virgin Mary,⁷ both fully human and fully divine.
Who reconciled us with God through His death on the Cross;⁸
Who rose again bodily from the dead on the third day;⁹
Who ascended into Heaven;¹⁰
And Who will return in victory to rule forever.¹¹

We believe in the Holy Spirit;

Who convicts concerning sin, righteousness, and judgment;¹²
Who indwells every Christian;¹³
Who helps Christians in their weakness and intercedes for them in prayer;¹⁴

Who empowers the Christian toward a fruitful life.¹⁵

We believe the Gospel-the Good News of death, burial, and resurrection of Jesus¹⁶ on behalf of the whole creation;
That humans, created by God willfully sin against Him and consequently are in need of the redemption and salvation offered by God through Christ's death and resurrection;¹⁷
That salvation is initiated by God's grace and is appropriated by faith in the finished work of Jesus Christ.
That one comes into a new relationship with God by placing one's trust in Jesus, by repenting of their former life, by confessing Jesus as Savior and Lord, and by being immersed in water into the name of the Father, Son, and Holy Spirit;¹⁸
That a new relationship with God through Jesus Christ produces a new life-style appropriate to that new relationship.

We believe the Bible to be God’s written Word, the only true book of Scripture, which was inspired by God¹⁹ and authoritative for the faith and behavior of God’s people.

Code of Conduct

Under the authority of the Bible, the following three statements are part of our Code of Conduct:

We understand Scripture to teach that God is the Creator and Sustainer of human life; that God created humankind in His image and that life is, therefore, sacred, from conception to death.²⁰

We also understand that God created each person male or female, that each of these distinct, complementary sexes reflect the “image of God” in humankind; that each person’s biological gender is an intrinsic, immutable aspect of his or her nature of identity.²¹

We further understand Scripture to illustrate that God established marriage in the beginning as a lifelong, exclusive relationship between one man and one woman,²² and that He has reserved sexual intimacy as an expression of love and commitment between said man and woman.²³

The above Statement of Faith and Code of Conduct is in keeping with the mission of Turner Retirement Homes; to provide economical care and housing for retired servants of our Savoir, with priority given to missionaries, pastors and educators.²⁴

The Board of Trustees of Turner Retirement Homes is the final authority regarding the interpretation and application of this Statement of Faith and Conduct regarding Turner Retirement Homes.

Christians working together for the Ministry

Turner Retirement Homes is a non-profit corporation originally established to provide housing for retired ministers and missionaries of the Christian Churches, Disciples of Christ and Churches of Christ. Today this ministry has been extended to all Christians.

Turner Retirement Homes is made up of a Board of Trustees and an Advisory Board. The Board of Trustees consists of up to 12 members. The Advisory Board consists of up to 24 persons, each serving a three-year term. The role of an Advisor is to assist the Board of Trustees. Residents of TRH may serve as Advisors but not as Trustees.

The TRH Board of Trustees affirms its purpose to provide a channel to assist Christian congregations in providing a place for their retired persons where their spiritual, physical and financial needs can be met. TRH provides and administers facilities in a Christian community for the retirement years, taking into consideration natural fears, loneliness, failing strength and resources.

Turner Retirement Homes is dedicated to a policy of non-discrimination on the basis of race, sex, color, national origin or physical limitations other than by the requirements placed upon TRH by the State of Oregon.

Support

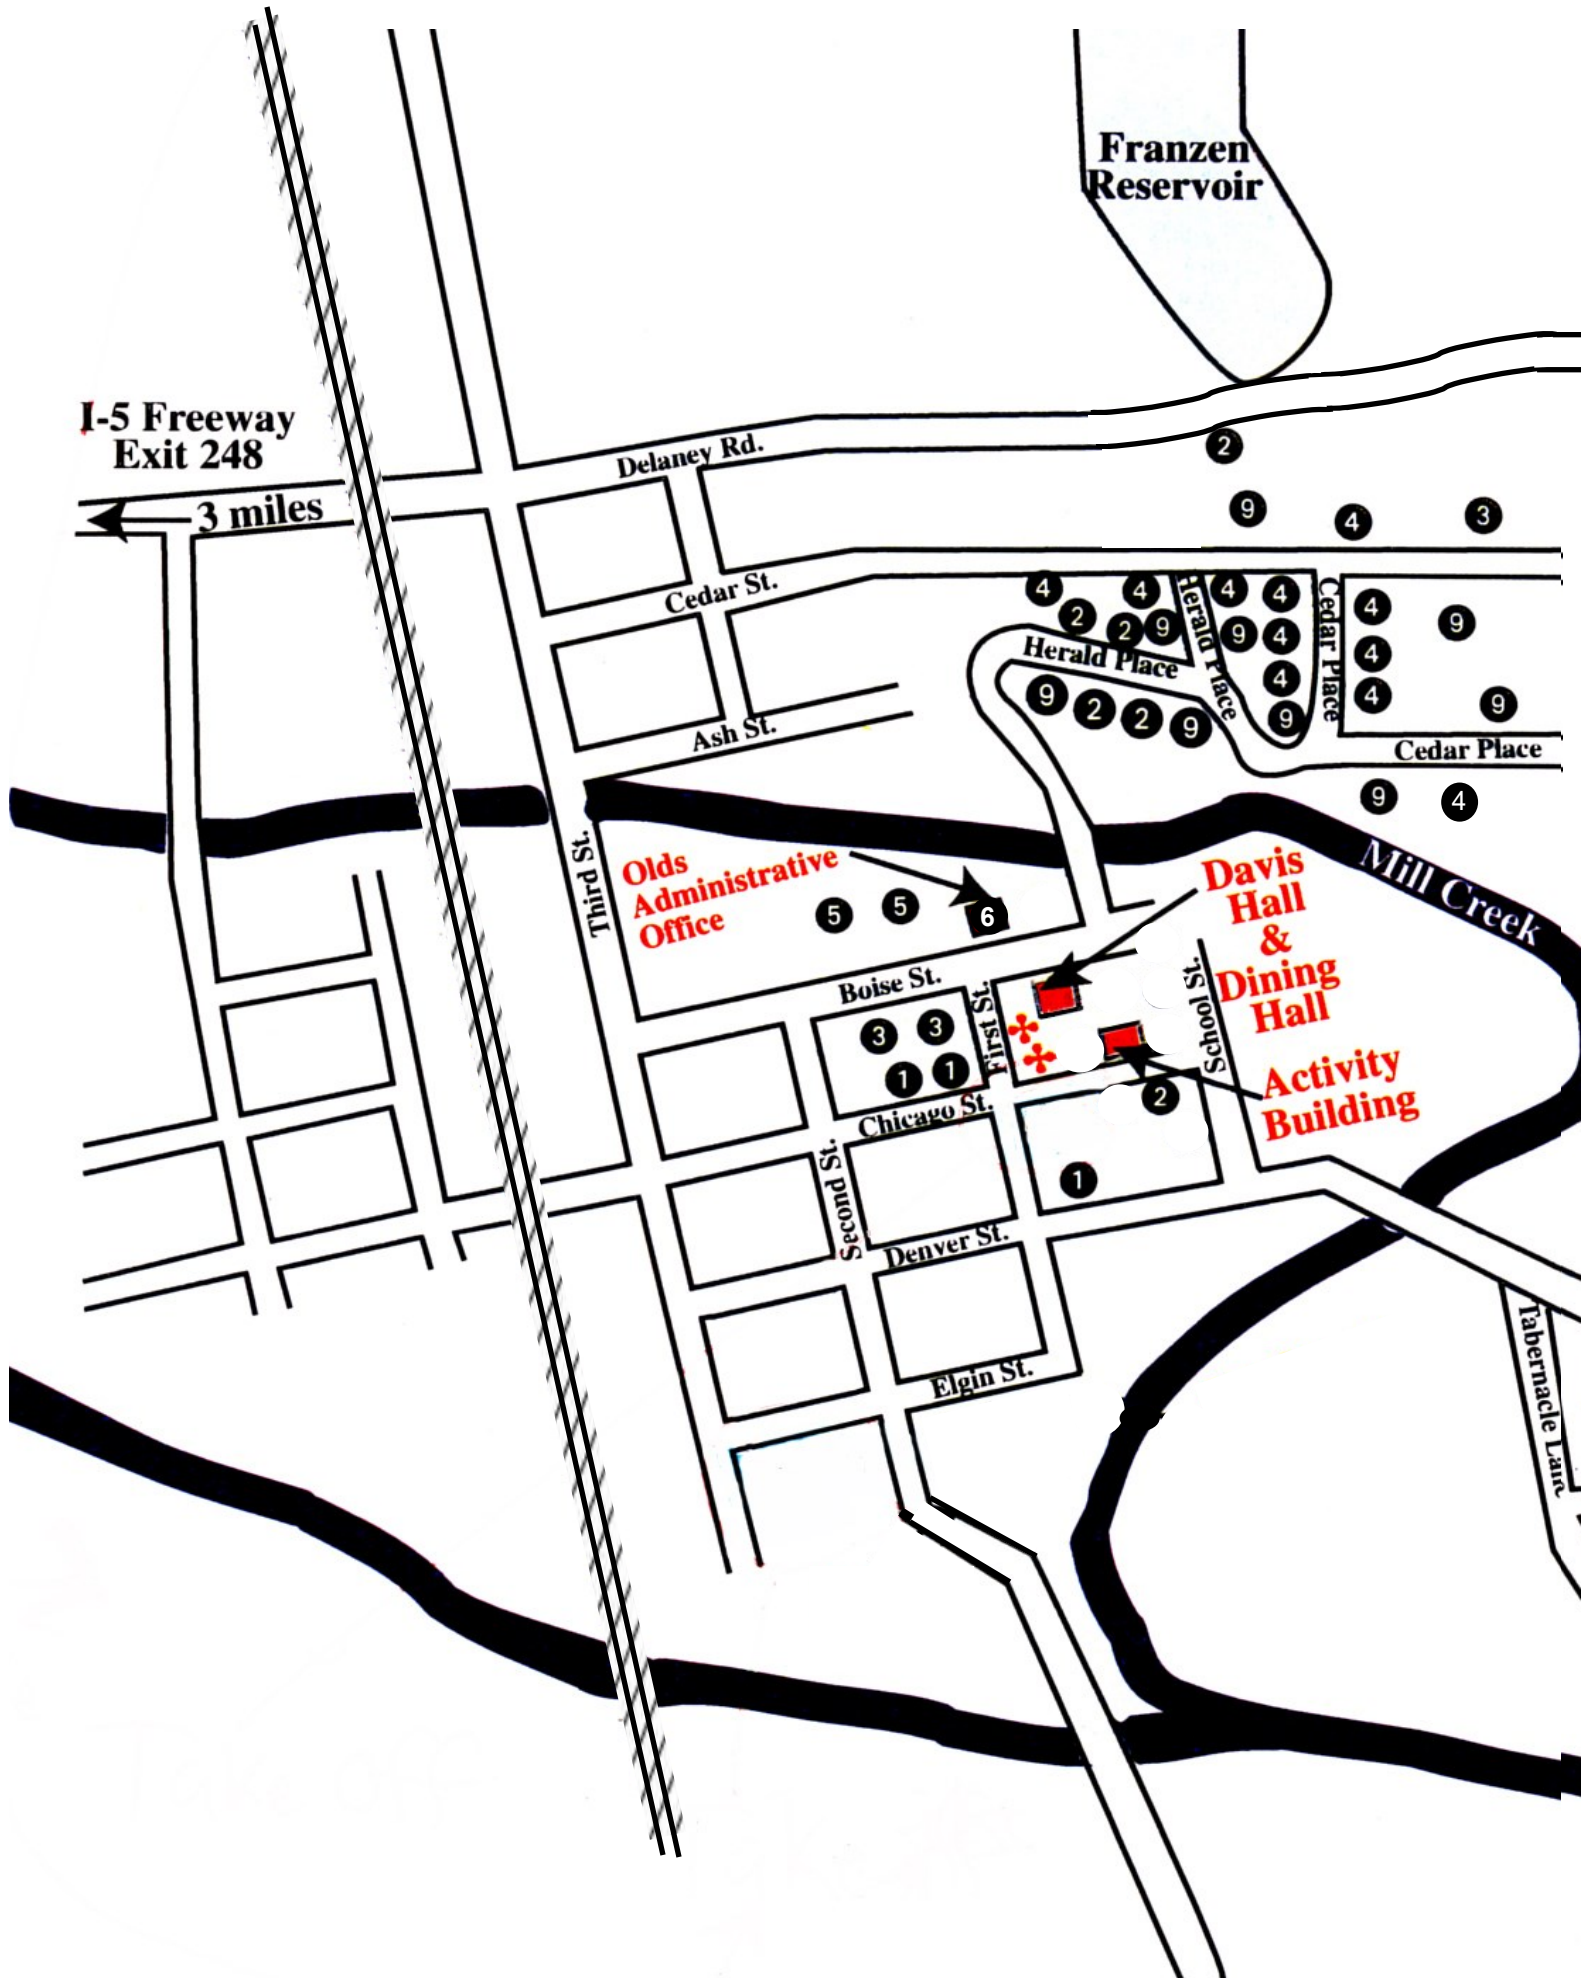

Turner Retirement Homes is supported by congregations and individuals who support our mission to provide a Caring Community for Christians in Retirement. TRH, churches, individuals, and residents work together to provide what could not adequately be done alone. TRH is a ministry, and ongoing mission, where God's people come together to care for and honor our former pastors, missionaries, and other church workers.

Visitors

Groups come to visit and share with our residents and to hear more about Turner Retirement Homes. We also have many groups come out and volunteer their time doing work projects such as grounds maintenance or painting a building. Churches and individuals continue to be the key to our success.

RV Parking—Turner Retirement Homes offers one spot for parking an RV for visiting family members at a reasonable rate. Reservations are taken through the administration office during regular business hours. The RV spot has full hook ups. This is located off Eden Circle, and can be rented for \$11 a day, \$70 a week, or \$250 a month. Please contact the office for availability and to make a reservation.

We offer common areas you can use to gather with family. Please check with the office for scheduling. We ask for a freewill donation for the use of these areas.

- ◇ **Sickafoose Activity Center**—The activity center can be used for family gatherings and meals. There is a kitchen area with a refrigerator, but no stove or oven. It has tables and chairs available for you to use along with a television.
- ◇ **Gary Johnson Park and Gazebo**—Use of the park and gazebo area for family gatherings and picnics is available and makes a great place to enjoy yourself during the warmer months of the year.
- ◇ **Activity Room II**—There is an activity room by the library at Eden Lane. You can use this room for small gatherings by scheduling it through the office.
- ◇

TRH has two libraries—If you enjoy reading you won't have to go far to find an interesting novel, biography, or non-fiction material to read. TRH has two libraries. One is located on the main campus just off the dining room. The second library is located on Eden Lane. The library is overseen by volunteers. We use the honor system, so when you borrow a book, please return it when you're done.

TRH Publications—TRH has a monthly calendar called *Turn of Events*. This calendar/newsletter gets delivered to TRH residents once a month. It lists the events for the month, and on the back you will find descriptions of the events along with some fun activities. It also shares residents birthday's and anniversaries. We also publish *The Reporter* that gets mailed out twice a year. *The Reporter* goes into detail about what has been happening at TRH, along with a section introducing our new residents, a memorial page for those that have passed and a page that honors those that have given donations in honor of, or in memory of current or past residents.

I'm interested in becoming a resident at TRH, what do I do? Your first step is to pick up an application and fill it out then make an appointment to meet with Administration. Once you turn in your application with the application fee, Administration will review the application and let you know if you are a good fit. If you are approved, you will go on a waiting list. The length of wait times vary, so it's difficult to be able to estimate the wait times. But, once a unit becomes available you will be notified and have a chance to come and take a look at that unit. Then you decide if you want to take that unit or wait until another one becomes available.
