

Dingle Cottage Comes Back Online

Built in 1941 by Mrs. Eliza Dingle, the Dingle cottage was an early structure on Turner Homes property. It fell into disrepair and was not habitable for many years. But in 2023, we started bringing this house back to life. First, a complete roof rebuild and then we moved through each zone of the house until the interior was completed earlier this year. You will notice that we tried to keep the flavor of the original home, while upgrading important things like plumbing and the bathroom. We put new flooring throughout and upgraded the heating system. This house will soon be available for a new resident.

How Do You Really Feel?

Check out what some of our residents are saying about Turner Homes.

"...We are experiencing wonderful peace, security and care that we hadn't had for a long time" Foch Fuller

"My wife and I love our safe home at Turner Retirement Homes" George Wright

"The atmosphere is refreshing...thankful for a safe affordable place to live" Barbara Robb

"This is a loving Christian community—manifested in many ways" Loretta Warner

"I am beyond delighted. Each day is a reminder of all I feel gifted with by living here." Judy Rose

"A unique jewel found in the Willamette Valley offering housing options for Christians." Gary and Melody Taylor

"My family finds great comfort in knowing that I am happy and living at TRH." Karen Ziese

24-Acre Clean-up Project

Last November we hired a company to help us clear underbrush on much of our 24-acres of undeveloped land. Our goal is to put nature trails in place, with places to stop along the way for prayer or maybe even a picnic lunch. Some of our residents love walking, and this will be a great new space to explore. Contact the office if you want to help with this project.

Tables Donated For Open Space Use

In preparation for improvements to our open spaces, we put the word out that we were looking for some new picnic tables. Friends of Turner Homes and members of Stone Creek Christian Church in Oregon City, Don McGrady and Bill Smith, came through in a big way and built five new heavy-duty tables for the residents. Bill has been instrumental in helping us assess some of our building issues as well. It is awesome to have people out there ready to use their gifts for the Kingdom!
