September was a difficult month for all of us. As we continue to battle the pandemic, we were hit with wildfires, harmful smoke, and threats of mudslides. Although it's devastating to think of the beautiful Santiam Canyon burned to the ground we can rejoice in the anticipated birth of regrowth. This month instead of watching the leaves fall from the trees and adjusting to the rain let us think about the new wildflowers and native grasses that will grow as the soil is replenished with needed nutrients after the fires. Let us pray about the families who were impacted by the fires. Let us pray for God's work to be done in the hearts of the unsaved so that they may to experience God's love and be reborn during this devastating time.

“Though the mountains be shaken, and the hills be removed, yet my unfailing love for you will not be shaken nor my covenant of peace be removed, says the Lord who has compassion on you. Afflicted city, lashed by storms and not comforted, I will rebuild you with stones of turquoise, your foundations with lapis lazuli. I will make your battlements of rubies, your gates of sparkling jewels, and all your walls of previous stones. All your children will be taught by the Lord, and great will be their peace.” Isaiah 54:10-13
