Dear Retiree:

Thank you for your interest in Turner Retirement Homes. We have adopted an admissions policy that opens our facility to people who are like-minded spiritually, who are supportive of our philosophy, objectives, and standards. Our purpose is to serve retirees who desire to live in a distinctly Christian environment.

Before applying for residency, please read the Resident Handbook provided in this introductory packet. The Handbook will introduce you to many of TRH's policies, procedures, and expectations of residents.

The first few pages of the Handbook explain our religious purpose, mission and beliefs. Turner Retirement Homes believes and practices a literal interpretation of the Word of God. If you do not agree with our religious mission and beliefs, becoming a resident would not be advisable.

Biblical principles are integrated into everything we do at Turner Retirement Homes. Our staff applies the truths of God's Word to every aspect of life. If you are in agreement with the teachings of God's Word, we look forward to the possibility of you being a resident.

In Christ's Service,

Dr. Gary Taylor, Administrator

Statement of Faith

We believe in one God,¹ Who is Creator of all things.²

We believe in Jesus Christ, the only Son of God,³ the eternal Word,⁴ the one and only Savior;⁵

Who was conceived by the Holy Spirit,⁶ born of the Virgin Mary,⁷ both fully human and fully divine.

Who reconciled us with God through His death on the Cross;⁸

Who rose again bodily from the dead on the third day;⁹

Who ascended into Heaven;¹⁰

And Who will return in victory to rule forever.¹¹

We believe in the Holy Spirit;

Who convicts concerning sin, righteousness, and judgment;¹²

Who indwells every Christian;¹³

Who helps Christians in their weakness and intercedes for them in prayer;¹⁴

Who empowers the Christian toward a fruitful life.¹⁵

We believe the Gospel-the Good News of death, burial, and resurrection of Jesus¹⁶ on behalf of the whole creation;

That humans, created by God willfully sin against Him and consequently are in need of the redemption and salvation offered by God through Christ's death and resurrection;¹⁷

That salvation is initiated by God's grace and is appropriated by faith in the finished work of Jesus Christ.

That one comes into a new relationship with God by placing one's trust in Jesus, by repenting of their former life, by confessing Jesus as Savior and Lord, and by being immersed in water into the name of the Father, Son, and Holy Spirit;¹⁸

That a new relationship with God through Jesus Christ produces a new life-style appropriate to that new relationship.

We believe the Bible to be God’s written Word, the only true book of Scripture, which was inspired by God¹⁹ and authoritative for the faith and behavior of God’s people.

Under the authority of the Bible, the following three statements are part of our Code of Conduct:

1. We understand Scripture to teach that God is the Creator and Sustainer of human life; that God created humankind in His image and that life is, therefore, sacred, from conception to death.²⁰
2. We also understand that God created each person male or female, that each of these distinct, complementary sexes reflect the “image of God” in humankind; that each person’s biological gender is an intrinsic, immutable aspect of his or her nature of identity.²¹
3. We further understand Scripture to illustrate that God established marriage in the beginning as a lifelong, exclusive relationship between one man and one woman,²² and that He has reserved sexual intimacy as an expression of love and commitment between said man and woman.²³

The above Statement of Faith and Code of Conduct is in keeping with the mission of Turner Retirement Homes; to provide economical care and housing for retired servants of our Savoie, with priority given to missionaries, pastors, and educators.²⁴

The Board of Trustees of Turner Retirement Homes is the final authority regarding the interpretation and application of this Statement of Faith and Conduct regarding Turner Retirement Homes.

- D. A resident or their responsible party may choose to hold the resident's room for as long as they choose at a vacancy rate per month in the event the resident is absent – i.e. hospitalized, in a different care facility, on an extended vacation. The reduced rate reflects the food costs not incurred. Residents receiving financial assistance are not eligible for this reduction.
- E. In the event the resident becomes ill and contagious a food tray will be delivered to a resident's room at no cost. Requesting a food tray to be delivered to your room if you are well and able to eat in the dining room will cost \$3.00 per tray delivery. You can request a food tray to go and come and pick it up yourself and take it back to your room to eat for no charge.
- F. In the event of any general increases, additions or modifications of rates that are not due to a change in individual resident service needs, the resident shall be provided with written notice of such changes 30 days prior to the change. In the event of rate changes due to service charges, a notification will be made via the Care Conference and signing of Service Plan by the resident.
- G. In the event a resident vacates a room and personal possessions are left behind there will be a storage fee of \$150.00 for the first 30 days. After 30 days the possessions are considered abandoned and will be disposed of. Labor charges for TRH staff to clear a room of possessions that remain are \$40.00 per hour to pack, move, and store the possessions.
- H. TRH shall refund any unused portions of any eligible reimbursement fee within 30 days of the resident moving out.
- I. A resident can be moved or transferred with a 30-day written notice to the resident, resident's legal representative or any person designated by the resident, guardian or conservator stating reasons for the move or transfer. The resident may only be moved for reasons, such as, medical instability and/or TRH inability to provide a safe level of nursing care as outlined OAR 411-054-0080. A resident transferred out of the RCF has the right to readmission outlined also in OAR 411-054-0080.
- J. A resident can be transported to a doctor's appointment if it is arranged through the Care Coordinator and is within the Salem/Aumsville/Stayton area for a fee. We are unable to transport out of these areas. Another option is an independent Medical Transport company.

Guidelines for vacating a unit

To clearly communicate our expectations when an Independent or RCF unit is being vacated, we have implemented the following guidelines. Please direct any questions you may have to the Administration.

For all units please:

1. Remove all garbage and items to be discarded and take them with you.
2. Cardboard boxes are available outside the exterior kitchen basement door. However, these boxes are flattened daily. Please do not ask staff to gather boxes or packing materials.
3. TRH staff is not available to assist with packing or moving.
4. After the vacant unit has been assessed for unusual wear and tear, the cost of any extensive repairs will be added to the final bill.
5. TRH is not responsible for any items remaining after the move out date. If items are still in the unit, TRH will dispose of them and bill the resident for all costs incurred. Labor will be billed at \$40 per hour.
6. Return all keys (house, mailbox, garage) and remotes to the Administration Office.

Independent Units also:

- Give a 30 days written notice to the Administration Office of move out. Unit must be vacated, cleaned and keys/remotes returned to Administration office by end of 30 days.
- Make a final closing appointment with the Administrator to examine the structure(s)/grounds before the keys are turned in.
- Remove all food from the refrigerator and cupboards. Clean house, wipe off shelves and wash out the refrigerator.
- Independent residents who pay utilities (water/sewer, gas, electricity) directly contact the provider to have it switched back to TRH.
- Housing and water/sewer (if billed by TRH) will be pro-rated through the move out date. Any refund will be mailed to the address you specify.

Life Lease Units also:

- Give a 30 days written notice to Administration office of move out. Unit must be vacated, repaired, cleaned and keys/remotes returned to Administration office at the end of 30 days.
- Make a final closing appointment with the Administrator to examine the structure(s)/grounds before the keys are turned in.
- Remove all food from the refrigerator and cupboards. Clean house, wipe off shelves and wash out the refrigerator.
- In the event of death, the family has 30 days from the date of death to:
 - Remove all personal belongings
 - Make an appointment to allow the Administrator to examine the structure(s)/ground
 - Make necessary repairs to the structure(s)/ground in consultation with the Administrator
 - Clean all structure(s)/ground
