

Temecula Stands

Since 2020, Temecula has been targeted by a small but vocal group of radical left-wing activists in the wake of nationwide riots after the death of a career criminal in the custody of Minneapolis police. This incident occurred over 1900 miles away. The Temecula City Council, under pressure by these extremists, created the [Race, Equity, Diversity and Inclusion Commission](#), aka the REDI Commission.

This commission was [modeled](#) upon programs created by far left groups such as the [George Soros funded Race Forward](#), the [Othering and Belonging Institute](#) and the [Government Alliance on Race and Equity](#). Pushed through by the [National League of Cities](#), this commission threatens the long history of cohesion, tolerance and unity that has been a cornerstone of Temecula.

Temecula's motto is "Old Traditions, New Opportunities." The highly politicized roots of the REDI Commission are at odds with our motto. This commission must be reformed and re-imagined. A Temecula under the boot of George Soros funded and radical leftwing influences will quickly rot, and our community will decay. Temecula must not follow the bad examples of dysfunctional cities like Portland, Minneapolis and Seattle. Temecula is a modern, civil and innovative society; those other urban hellscape are examples of what not to do.

We must take action, organize and petition our Temecula City Council to reverse this REDI Commission. The commission must sever all ties to the poisoned well created by groups like [Race Forward](#) and the [National League of Cities](#).

Our community has nothing to apologize for nor nothing to feel shameful or regretful about. Slavery, segregation and racism are the products and legacies of the Democratic Party, the Jim Crow South, and the 20th century Progressive Movement. Temecula is a community that upholds, cherishes and champions the individual spirit, human dignity, and Divinely gifted freedoms endowed upon all of us by our Creator, without favoritism or bias.

Please join us on August 10, 2021 at Temecula City Hall for a rally at 5:00 pm to 6:00 pm. Then please attend the City Council Meeting at 7:00 pm and let your voice be heard by the City Council. Temecula City Hall is located at 41000 Main Street in Old Town Temecula, 92590.

Stand together for Temecula. Stand strong for Temecula. May God Bless Temecula, and God Bless America.
