

## Pre/Post Briefings

Pensacola Air strives to create safe, competent, and confident pilots. Pre/Post Briefings are vital to not only a safe flight but to ensure the student is comprehending what is being taught. Pre briefs often are a discussion of weather, flight planning, pre-flight, and what you will be learning on the flight. Post briefs are a briefing about what you learned, what to expect on the next flight, what to work on and logbook documentation.

This is .5 for pre/post of the instructor rate at \$45/hr. This will be tagged on to your bill after each flight and shown in your ledger in flight circle. Which you are able to view at any time under your profile.

We want to ensure every flight you are able to learn and this is an important part of the process.
