

Welcome to First Grade!

Hey there wonderful first grader!

My name is Miss Lov and I am so excited to be your teacher! We are going to have such a fun year filled with learning, playing, and building relationships.

I want to start off by telling you a little bit about me, and I am so excited to learn more about you on the first day of school.

I am 21 years old and LOVE teaching! I have two puppies named Duke and Willow. I love spending time with my friends and family. I also love teaching outside in our classroom backyard!

What will we be learning this year?

We have so many fun things planned for the year ahead and I'm so excited to see what great learners I know you all are!

Some of my favorite things we will do in *ELA* include class book clubs, read alouds, learning how to read, and becoming writers and creating stories!

In *math* we will be learning about money, patterns, time, addition, and subtraction.

In *social studies* we will be learning about different communities, citizenships, and ways of life.

Finally, in *science* we will be learning about sound, the environment, and will perform lots of experiments!

First grade has so many exciting topics and we're going to have so much fun learning all about them!

The first day of school!

On the first day of school, I will greet you by the front of the building. Please wear your name tag attached in this letter so I know who you are. I will be wearing a pink dress and will be holding a large sign that says Miss Lov.

Before the start of school, please decorate the puzzle piece attached in this letter for our class bulletin board. The directions are attached to the puzzle piece!

Finally, I know the first day is exciting and scary, so please read the attached poem and follow the directions to help ease your first-day jitters!

Enjoy the rest of your summer first grader, I am so excited to meet you!!!

Have a parent scan this QR code to hear Miss Lov read the letter aloud!

Jitter Glitter

THE NIGHT BEFORE SCHOOL IS EXCITING AND FUN, WITH
SO MANY THINGS THAT JUST HAVE TO BE DONE.

YOUR CLOTHES ARE ALL READY, YOUR BACKPACK IS TOO.
AND YOUR CLASSROOM IS WAITING WITH FUN THINGS TO
DO.

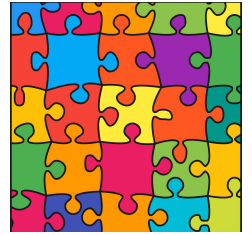

THERE ARE SO MANY QUESTIONS THAT GO THROUGH
YOUR MIND, ALL TYPES OF THOUGHTS, SOME OF EVERY
KIND.

THE DAY BEFORE SCHOOL, WE ALL GET THE JITTERS
DOWN DEEP, MAKING IT REALLY HARD FOR US ALL TO
FALL FAST ASLEEP.

SO HERE IT IS SOME **JITTER GLITTER**. IT'S REALLY QUITE
COOL. IT'S SOMETHING TO HELP YOU BE RESTED AND
READY FOR SCHOOL.

JUST SPRINKLE THE **GLITTER** UNDER YOUR PILLOW IN
BED, THE NIGHT BEFORE SCHOOL STARTS WHEN YOU LAY
DOWN YOUR HEAD.

THE **GLITTER** WILL HELP YOU TO SLEEP THROUGH THE
NIGHT, LETTING YOU WAKE UP FEELING FRESH AND
BRIGHT. I'LL SPRINKLE THE GLITTER UNDER MY PILLOW
TOO, BECAUSE,
I AM SO EXCITED FOR YOU!

We all fit together!

Please decorate your puzzle piece and include your name! Each person's puzzle piece is an important part of our class puzzle. On the first day of school we will work together to create the puzzle!
