Be respectful to others by listening quietly from your seat and making eye contact with the speaker.

Come to class prepared with all of your materials placed inside your desk (sharpened pencils, notebooks, folder, and agenda book).

Keep your desk area clean by picking up any stray pencils, papers, or other materials that may have fallen onto the floor.

Respect the personal space of others by keeping your hands and feet to yourself at all times.

Complete independent work quietly, without talking to your classmates.

Complete all of your assigned homework each night.
