Welcome to our magical production of *Mary Poppins Jr!*

Bringing this timeless classic to life has been an incredible journey for our students, filled with dedication, creativity, and a whole lot of heart. From the soaring melodies to the breathtaking choreography, every moment on stage is a testament to their hard work and passion.

A production of this scale would not be possible without the incredible dedication of our Arts team. I would like to extend my heartfelt thanks to each of them, in particular this year, as without their dedication, support, commitment, and care this production would not be possible. Their tireless work behind the scenes ensures that every performance is truly magical. I would also like to express my gratitude to the wider staff team that have supported the production by volunteering their time on the weekends, and evenings.

The Arts play a vital role in our school, fostering confidence, teamwork, and imagination. This production is a shining example of what happens when young minds are given the chance to dream big—and tonight, we invite you to step into that dream with us.

So, sit back, relax, and prepare to be swept away on a truly *supercalifragilisticexpialidocious* adventure!

Enjoy the show!

Kenny Park - Lead Teacher for the Arts

Yet again we are proud to present the Oak Grove College annual production. This performance of *Mary Poppins Jr!* is a testament to hard work, determination and dedication. The large cast of students have worked so hard on this and their joy in performing will be clear to see.

A well rounded curriculum with Arts as part of the core is a really important way we can support the development of our learners. It enables students to develop in self confidence, communication, team work and ensures they thrive. Working as part of a production is hard and requires and develops resilience and it is great to see that in our young people

I am grateful to the staff team who have supported this production and the Arts team who have personally sailed into storms this year and still have delivered. We are grateful to each of you for all you do.

Phillip Potter - Head Teacher
