

5-Day Devotional

Praise Perfected

---

**Day 1**

**The King Is Coming**

**Scripture: Zechariah 9:9**

"Your King comes to you...gentle and riding on a donkey."

**Devotional**

Long before Jesus entered Jerusalem, God had already announced His arrival. God never improvises. He prepares His people through His Word. The question isn't whether God speaks. The question is whether we recognize Him when He fulfills what He has spoken.

**Reflection**

Where have I been asking God to move while overlooking how He already is?

**Prayer**

Lord, open my eyes to recognize Your presence and Your faithfulness.

**Day 2**

**Cleansing Before Restoration**

**Scripture: Isaiah 56:7**

"My house shall be called a house of prayer."

**Devotional**

Jesus entered the Temple because communion mattered more than ceremony. He removed everything competing with God's presence. He still does. Sometimes restoration begins with removal.

**Reflection**

What has crowded God's presence out of my daily life?

**Prayer**

Father, remove anything that competes with communion.

**Day 3**

**Presence Before Performance**

**Scripture: John 15:4–5**

"Abide in Me..."

**Devotional**

God has never asked us to perform for Him. He has invited us to remain with Him. Transformation is produced through abiding, not striving. The fruit always follows the relationship.

**Reflection**

Am I pursuing God's presence or merely trying to perform for Him?

**Prayer**

Jesus, teach me to abide.

## Day 4

### The Living Temple

**Scripture: 1 Corinthians 3:16**

"You are God's temple."

### Devotional

Jesus no longer dwells in buildings. He dwells within His people. Every conversation... Every decision... Every response... either reflects His presence or competes with it. The world encounters Christ through His living temple.

### Reflection

What do people encounter when they encounter me?

### Prayer

Lord, let my life reveal Your presence.

## Day 5

### Praise Perfected

**Scripture: Psalm 8:2**

"Out of the mouths of babes..."

### Devotional

Perfected praise isn't polished music. It is a restored life recognizing the King. Praise becomes visible whenever Christ is expressed through humility... forgiveness... love... service... and obedience. The greatest song you will ever sing may be your life surrendered to Jesus.

### Reflection

How can my life become an expression of praise this week?

**Prayer**

Father, perfect Your praise through me until people see Jesus in every area of my life.
