

CLASSES IN THE COMMUNITY PROGRAM

PROGRAM OVERVIEW

Our Mobile Gymnastics program brings the excitement of gymnastics directly to local daycares and elementary schools, offering fun and engaging classes for both boys and girls. Led by a USA Gymnastics Instructor Certified staff—with credentialing in Safe Sport, Safety, and First Aid/CPR—our team ensures a safe, high-quality experience every step of the way.

Each class features custom lesson plans designed to enhance flexibility, strength, coordination, and confidence through running, jumping, tumbling, and skill-based gymnastics activities.

We offer two age-specific tracks: Preschool Gymnastics & Movement and Elementary Gymnastics.

Our program benefits everyone involved—directors enjoy an enriching onsite activity, parents appreciate the convenience, and children gain lifelong physical skills in a fun, supportive environment.

ACTIVITIES

✓ Tumbling Mats

✓ Balance Beams

✓ Single Rail Bar

✓ Mini Tramp

✓ Vaulting System

✓ FUN Shape Mats

HOW TO JOIN

Step 1: Check Availability: Contact your child's daycare or school to see if they are currently partnered with our Mobile Gymnastics program. If not, feel free to share our information with them—we're always open to adding new locations!

Step 2: Register Online: Once your facility is participating, you'll receive a registration link to sign your child up. Registration is completed through our secure online platform.

Step 3: Enroll in and class.
Monthly Tuition: The cost is \$35 per session, billed monthly. Payments are processed automatically, and you'll receive reminders and updates throughout the session cycle.
