ELECTRIC VEHICLE RIDE & DRIVE EVENT

**Saturday, May 10, 2025
11:00 am - 3:00 pm
Chenery Upper Elementary**

- *Test Drive and Ride Along in a number of All-Electric Vehicles, including Ford and Toyota.*
- *Hear from the Department of Energy Resources on current state and federal incentives.*
- *Talk with car dealers in a no-pressure environment.*
- *Discover the benefits and affordability of driving electric.*
- *Talk to current EV owners about charging at home, work, and on the road.*
- *Check out electric bicycles and other ways to electrify your life!*

Belmont Drives Electric is a community program for Belmont residents sponsored by the Belmont Energy Committee, Belmont Light, Sustainable Belmont, and Belmont residents enthusiastic about EVs.
