Eric Clapton- Crossroads Centre Antigua

"The greatest artists are those whose lives are their art. John IS his music - honest, tender, tough. Always an echo of the heartbeat of life. All of John's music arises out of that heartbeat. If he sings about it, it is because people have lived it. More than anything else, John's music is life, listening to itself."

simply great at the piano, and has a voice that can light you up."

- Billy Powell, Keyboard Player, Lynyrd Skynyrd, Rock and Roll Hall of Fame Inductee
