

Oxford Numerology University®

Founding Statement and Governance

Oxford Numerology University® is a private academic institution dedicated to the structured education, ethical development, and international professionalisation of numerology as a discipline. The university was founded under the legal authority of the **Oxford Numerology Society**, registered in the United Kingdom in 2023 under Company No. **14923926**.

Legal Entity and Governance

Oxford Numerology Society (UK) is the founding and governing legal body of Oxford Numerology University®. The university operates as a private academic programme under the educational, cultural, and ethical mission of the Society.

The legal and executive structure includes:

- **Cătălin Costache** – Founder & General Secretary of the University
Chief Executive Officer, Oxford Numerology Society (UK)
- **Prof. Dr. Diana Metiu** – Founding Dean of Oxford Numerology University®
Author of the EU Occupational Standard for Numerologists (COR 516102)

All institutional decisions are guided by the **Council of Honour**, the collective leadership and advisory board of the university. Members include:

- **Gina Butoi** – Chief Educational Officer
- **Alexandru Ciochia** – Chief Executive Officer for Romania
- **Loredana Bostacă** – Chief Operations Officer
- **Dan Naciu** – Chief Commercial Officer
- **Anca Iordan** – Editor-in-Chief, Blogul Numerologilor
- **Ștefana Iancu** – Director of Francophone Development
- **Ioana Bodea** – Director of Hispanic Expansion

International Academic Structure

Oxford Numerology University® is structured around a six-year academic pathway, offering annual diplomas from Certified to Master level. All programmes are aligned with the **Occupational Standard for Numerologists – COR 516102**, approved within the European Union in 2023.

Courses are delivered in English and Romanian, with future expansion confirmed in **Spanish (2026)**, **French (2027)** and **Italian (2028)**, alongside legal registration in those respective countries.

Oxford Numerology University® is committed to transnational academic cooperation, cultural relevance, and professional integrity in all its activities.
