

INSPIRING STUDENTS, EMPOWERING TEACHERS— YOUR SUPPORT MAKES IT HAPPEN!

Dear friends of the Roosevelt Public School Education Foundation,

Last year, your generosity made a world of difference at RPS. Thanks to you, RPS Education Foundation was able to fund many activities: classrooms were visited by talented artists, students embarked on unforgettable field trips to places—like Insectropolis-the Bugseum of New Jersey and the Old Barracks Museum—, and the library was stocked with new books. You helped bring innovation into the classrooms with resources like hardcover writing journals, maps, and even tools for the recycling and composting projects.

Because of you, RPS students and teachers thrived. As the RPSEF looks ahead to 2025, we need your help once again to continue enriching the lives of our students and supporting the incredible teachers who inspire them every day. Your gift can:

- **Open doors to new educational experiences** with field trips that make history, science, and the arts come alive.
- **Equip classrooms with essential tools and materials** like technology, books, and hands-on resources.
- **Foster creativity and innovation** by funding visiting artists and student-driven projects.

Every dollar you give goes directly to creating opportunities for RPS students and ensuring teachers have the resources they need to succeed. Together, we can make learning even more exciting and meaningful for every child.

Contributions can be made through our website at www.rpsef.org or by using the **QR code** provided. Checks can be **mailed to:** RPSEF, P.O. Box 22, Roosevelt, NJ 08555.
