

## Graduate / Final Year Insolvency Accountant

### About us

DuncanPowell is a corporate advisory firm providing Restructuring, Turnaround and Forensic services to companies, individuals and stakeholders.

We are client-focused and supported by a team of dedicated and experienced professionals that are driven to find the right solutions and achieving optimal outcomes for the client.

From our office in Adelaide, we service metropolitan and regional South Australia and have deep connections in the Northern Territory where we have a long history of conducting restructuring, turnaround and advisory assignments.

### Responsibilities

The successful candidate will join the insolvency, restructuring and turnaround team as a Graduate Insolvency Accountant. DuncanPowell Restructuring and Turnaround Services provide formal and informal insolvency and turnaround solutions for companies and individuals in financial distress.

As an Insolvency Accountant, you will:

- Assist with day-to-day conduct of engagement including financial and operational restructuring, voluntary administrations, court and voluntary liquidations and bankruptcy.
- Prepare reports for creditors and ASIC.
- Conduct analysis of accounting records
- Conduct asset inventory and assist in asset realisations
- Deal with creditor claims etc.

### Requirements

- Currently completing the final year of a degree or have obtained a bachelor's degree or higher in a relevant field.
- Competency in written and verbal communication skills.
- Good business sense and a proactive attitude.
- Strong organisational, problem solving and financial analytical skills.

### Further benefits include

- Exposure to a wide range of interesting and engaging corporate insolvency work.
- Full support for any additional certifications, such as CA/CPA and ARITA.
- Access to comprehensive professional CPE events and training, both in-house and externally.

If this role sounds like the opportunity for you to take the next step in progressing your career, then please apply through our website [duncanpowell.com.au/careers](https://duncanpowell.com.au/careers).
