Re: 2023 Show Application/Rates/Reservation Contract

We are approaching one of the most iconic and festive events held in Sycamore... that's right, the 23rd Annual Turning Back Time Car Show! As many know, this event gathers tens of thousands of people to admire thousands of cars at this once a year event. This year's show date is July 30th, 2023.

This year's applications are very similar to last year's. If you were not with us last year but have been before, we have updated our Sponsor and Vendor Applications from the past years. Now there are 2 separate applications: 1 for Sponsor information and 1 for Vendor information. Please read the prompts carefully when filling out each application to ensure they are processed properly. We are always making an effort to improve our show, but to do so we need your help.

Please complete the Sponsor and Vendor application contract and return as soon as possible with payment. This will assure a smooth move in and space layout before and during the show. Less time dealing with problems means more showing and selling time for you!

We truly appreciate your support! Remember, there are only 110 Trophies open for sponsorship so your early commitment will assure your name will live on the winner's walls for years to come.

Questions for Sponsorship and Vendor spaces should be directed to the vendor committee at the address following. Special sponsorship inquiries and ideas should also be directed to the show email address, vendors@turningbacktimecarshow.org.

Mail completed applications and payment to: Turning Back Time Car Club, P.O. Box 411 Sycamore, IL 60178. Make Checks payable to Turning Back Time Car Club. Any unpaid applications may be rejected.
