**How Can I Help While Spreading the
Word About Healthcare Freedom?**

In less than two years I went from lying helpless in hospital bed to getting cooperation from some of the largest forces in healthcare to give YOU, for the first time in history, access and control over your own health records. Before we start, please spend just five minutes here to understand why this is so important to you and your family.

WHO ARE YOUR ADVOCATE PARTNERS?

Together We ARE Healthcare Technology; Already Connected on Your Behalf!

1. **DONATE** - By design, our Nonprofit PROACT was set up NOT to require nor solicit donations. That hasn't stopped many you kind people from asking to donate to support the efforts. Our 5013c Nonprofit classification means that your contributions are tax deductible. **Get Listed** - You can donate ANY amount here! Donate as little as \$25 OR be recognized as; Bronze - \$1,000, Silver - \$2,500, Gold - \$5,000, Platinum - \$10,000 - You can add funds to advance your status over time and/or advance your rankings by bringing in other donation partners. [Donate Information HERE!](#)
2. **EARN INTEREST ON OUR Healthcare Founders Fund Trust** - Our FREE [Precision Health Access phone app](#), originally built as a pilot program with and for T-Mobile as a subscription health access model. Also FREE, as is your ability to securely download and store your own records. That said we have real expense in connecting our technologies to other platforms to better serve you. You earn high secured interest for a one-year period on as little as \$1,000. [For more information, email Doug.](#)
3. **BECOME A PARTNER & GAIN OWNERSHIP** - We are looking for collaborative and financial partners to expedite the speed of growth to scale. It's the combined voice of "We the People" that makes this "Change Healthcare to Lifecare." You can invest with us or create your own entire industry within an industry that did not exist before this program. You're working directly with CEO/Co-Founder, Doug Sparks under with several options or any arrangement that makes sense. [Email Doug NOW!](#) [Here's a short overview.](#)
4. **SERVICE BEFORE SELF MADE EASY** - [PLEASE share this link with everyone on the planet about these FREE and newly won health records access and control rights.](#) Memberships organizations, nonprofits and even charities can have us donate money back to THEM.
5. **SHOP OUR "GOODWILL TYPE" STORE** - How can we offer all this free access and support? We can somewhat offset this cost when you buy or subscribe to our many healthcare and consumer products and services via group purchasing Organization, [Precision Life Benefits](#). Please consider it akin to shopping at the "Goodwill Store."

Thank you so much for your prompt and widely shared support!
