

Central Auto Racing Boosters

FROM THE DESK OF THE PRESIDENT:

Dear members:

I am so honored to be your 2020 Central Auto Racing Boosters President. My childhood is mostly made up of racing memories and with those memories CARB is included. I remember attending meetings with my parents and seeing Bob Libbey, the Hawkin's, JD & Diana Green, the Reber's, and Skip Richardson sitting behind the tables.....Just to name a few. I am beyond proud to be able to pour my love for our sport into this organization just the way they and so many others have since 1952.

As we step into the future, I believe my passion and goals are the same as any past CARB President, and that is to Promote and Preserve our sport. I, along with my amazing board hope to use our talents, passion, and drive to do just that. We can't do any of it without you, the General Membership and our CARB supported tracks! We need you; to support not just our events but our local tracks as well. You all have talents and gifts that can help us succeed! Let's make 2020 the best year yet. Get out and support your local race tracks!
