HWC Scholarship Information Sheet: *New Applicants*

HISPANIC WOMEN'S COUNCIL (HWC)

The New Mexico Hispanic Women's Council is a 501(c)(3) non-profit, intergenerational organization founded in 1988 to promote, support, and create opportunities for Hispanic women.

THE HWC SCHOLARSHIP

The HWC Scholarship Program is established to provide academic scholarships and mentorship to Hispanic women who are residents of New Mexico. It is available to continuing college students (traditional and non-traditional). With these scholarships, the HWC envisions creating a legacy of: a) educating Hispanic women; b) moving them into professions; and c) enabling them to become valuable leaders in our community. Scholarships are awarded on the basis of the strength of the applicant's personal statement and the potential to succeed based on letters of recommendation.

Successful awardees will be considered for scholarship renewal, as long as the scholarship recipient is responsive to mentoring.

The mentoring component of the scholarship requires that each recipient meet a minimum of once a year with the designated HWC/UNM faculty mentor for academic and career advising.

Additional mentoring can be requested.
