

SHOWTIMERS COMMUNITY THEATRE

Covid-19 Protocol

Showtimers stands alongside performing arts venues across the country with a continued safety policy to protect the health and wellness of our performers, volunteers, staff, and patrons. The Board of Directors has agreed to abide by CDC recommendations based on levels of transmission within our community and surrounding areas.

Currently, local Covid-19 transmission rates
are
LOW*

Masking is not required.

Safety Protocol for Performers, Volunteers, and Staff:

- Valid proof of vaccination is required before auditioning or volunteering indoors in any capacity.
- All production team members will sign an agreement adhering to the Showtimers Safety Policy.
- Masking policy may be heightened based on director/organizer discretion.

Additional Safety Measures in place:

- Our staff is vaccinated and will mask for the comfortability of all patrons.
- Hand sanitizing stations are available at the front door.
- The quality of our ventilation system and HVAC filters have been improved.
