

# Give Back Friday

For each session booked between Black Friday and December 31st, \$25 will be donated back to the Better Together Playground initiative. Already have your holiday portraits on the books? Schedule a session for a later time, and a donation will still be made on your behalf if your session fee is paid during the above timeframe. Even better: make holiday shopping easy by gifting a loved one a session. Donations will be made on gift certificate purchases during this time as well.

To book a session or purchase a gift certificate, contact Halli Weinmann by email at [hello@thecattywampusphotographer.com](mailto:hello@thecattywampusphotographer.com) or by phone at 417-413-3880.
