

Davis Magnet School PTA

It has been my honor and privilege to serve as your 2023/2024 PTA President. At Davis, our community certainly is one of the strongest and most impactful in the district. My goal was to continue to build upon our amazing culture, provide meaningful events for our students and their families, give back to the school’s teachers and staff by way of financial support within each classroom, continue to fund unique opportunities for learning outside of the classroom, and to do so while bringing a level of transparency of how the PTA operates. This one page summary is provided to bring insight on how your fundraising efforts and contributions have been spent to make an impact on our Davis students during this past school year.

We started our year with an opening balance of \$44,215, and we are projected to end with a balance of \$38,263.
