*****Note:** Class sizes are limited, and enrollment is on a first come first served basis. Classes will be cancelled if minimum enrollment is not met. Once you register and receive confirmation of your registration, please remind your student to meet at the respective class locations each week. If your student will miss a session, please advise the front office. Students will need to be picked up at the class location promptly at the end of each session as the office may not be open and it will be the responsibility of the program facilitator and the person picking the student up.
