Performance Magic Teaches:

- Confidence
- Vizualizing Results
- Public Speaking

This fantastic class has the goal of using magic as a way to teach the children public speaking skills and confidence! Each week students will learn up to 3 new tricks and get to practice doing them in front of the class. This Strategic Kids curriculum was written by a professional magician and has been a huge success. Children learn card tricks, coin tricks, ball tricks and more!! The last week of this program includes a showcase for the children to demonstrate their new skills to their parents and friends!

Scholarships may be available.
