BRIEF INTRODUCTION AND HISTORY

The existing Bible College (NLBC) at Dobam village, Arunachal Pradesh, was established back in the year 2004 as New Life Bible Training Institute with the intention to educate the local Christian workers theologically, under the ambit of Arunachal Christian Revival Church Council. The then President of NEIRCRCC, Rev. Dr. Shiwoto Sumi dedicated the college in December 2003. The institution commenced its first academic session on 15 February 2004. It humbly started with fifteen students and few faculty headed by Rev. Tinu Yangba Imchen, and it offered only C. Th. and Dip. Th. Despite numerous challenges, Rev. Tinu Yangba Imchen and his wife unwearingly carried NLBTI ministry since its inception to till 2017.

The need for effective and relevant ministry led NLBTI to offer B. Th. Hence, it has been upgraded to a full-fledged theological college since 2016. Now the College is popularly known as New Life Bible College, and it runs proficiently as Bible College.

MISSION STATEMENT

VISION

- One personal God, eternally existent in three persons; Father, Son, and Holy Spirit.
- The deity of our Lord Jesus Christ, His humanity, His virgin birth, His sinless life, His atoning death, His bodily resurrection on the third day, His ascension, His priestly intercession, His personal return in power and glory to finally judge the living and the dead, and to consummate His kingdom.
- The Holy Spirit, His work of regeneration, sanctification, and indwelling in the life of the believers, enabling them to live a holy life, to teach and to witness to the Gospel of Jesus Christ to all nations.
- The Creation of man in the image of God, his willful fall into sin, standing in need of regeneration, justification and salvation by grace through faith in Christ and the bodily resurrection of all human beings either to eternal life or to eternal condemnation.
- The spiritual unity of all believers in Christ Jesus, our Lord forming the church, the Body of Christ, visibly expressed in worship and service.

Besides, the college seeks to conduct seminars, spiritual awakening programs, retreats etc.

Hostel: The NLBC has hostel facility; it can accommodate all the enrolled students suitably. Therefore, every student is expected to reside in the hostel, except for a few exceptional day scholars. Currently, we do not have separate accommodation for married students.

Practical Training: Alongside the academic standard, the college seriously concerns for the practical training of students. The college has a Practical ministry department who handles affairs pertaining to the practical training of students. Students get ample opportunities to be involved in practical ministry, such as evangelism and church visitation, where they preach, teach, sing and use their spiritual gifts. We also send our students for internship to different places far and near, where they experience and learn about Christian ministry practically.

Library: One new library building construction has been completed recently. It has enough space to study, which can accommodate around 200 students at a time. Presently, there are more than 3,000 volumes of Books. Thousands of books related to the curriculum are likely to be added shortly.
