

**Old Wheel  
Restorations**

## The All-American Heritage Picnic

Sunday, October 25, 2026 – 11am to 3pm

### **Presented by Old Wheel Restorations & Hillsborough Region AACA Club**

Come join your fellow car club friends for a unique and fun picnic, where the entrance fee is a food dish from the country of your family's origin! We have interesting foods from all over the world to make for a fantastic lunch buffet. Last time we had 23 countries represented... And there is a People's Choice Award for favorite food!

There are games and prizes, a relaxing setting on our 5-acre property with the fishing pond behind you where you are welcome to throw a line off the dock or hop in a boat and catch some big-mouth bass if you want.

You are welcome to walk down to the Big Red Barn to see what Brando is working on lately as well. But most of all, we just have good family fun. Bring the kids, the grandkids, the fur-babies.

There is plenty of space to bring your own pop-up tent and chairs or relax under our set-up.

**Please RSVP with:** • How many people are coming • What food you are bringing and the country you represent • What car you are bringing (we encourage you to drive your old car!)
