

Transport Week 1

Bikes, scooters and small vehicles

Obstacle course

This one is for indoors or outdoors, make a bike or scooter obstacle course and have fun mastering it. Then play some fun tag. Test out the skills you've just learnt to try zip away or tag each other.

Traffic Survey

At Greenwood we will be doing a "How did you travel to pre-school" survey.

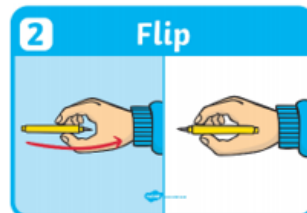

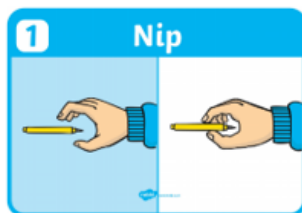

On your next walk, can you do a traffic survey? Find a safe spot and see how many cars you can spot? Have you spotted any bikes?

School Ready!

For those that are getting ready to start school in September, it would be helpful to work on the following to get the children school ready!

- ◆ Can they recognize their own name?
- ◆ Can they write their name (print in lower case)
- ◆ Practise cutting skills – how to hold the scissors and control them.
- ◆ Pencil grip – nip, flip and grip

Phonics

Play the game 'I hear with my little ear...'

What sounds can you hear outside today?

Practise your pencil control

Can you use the sheets attached and draw the paths!

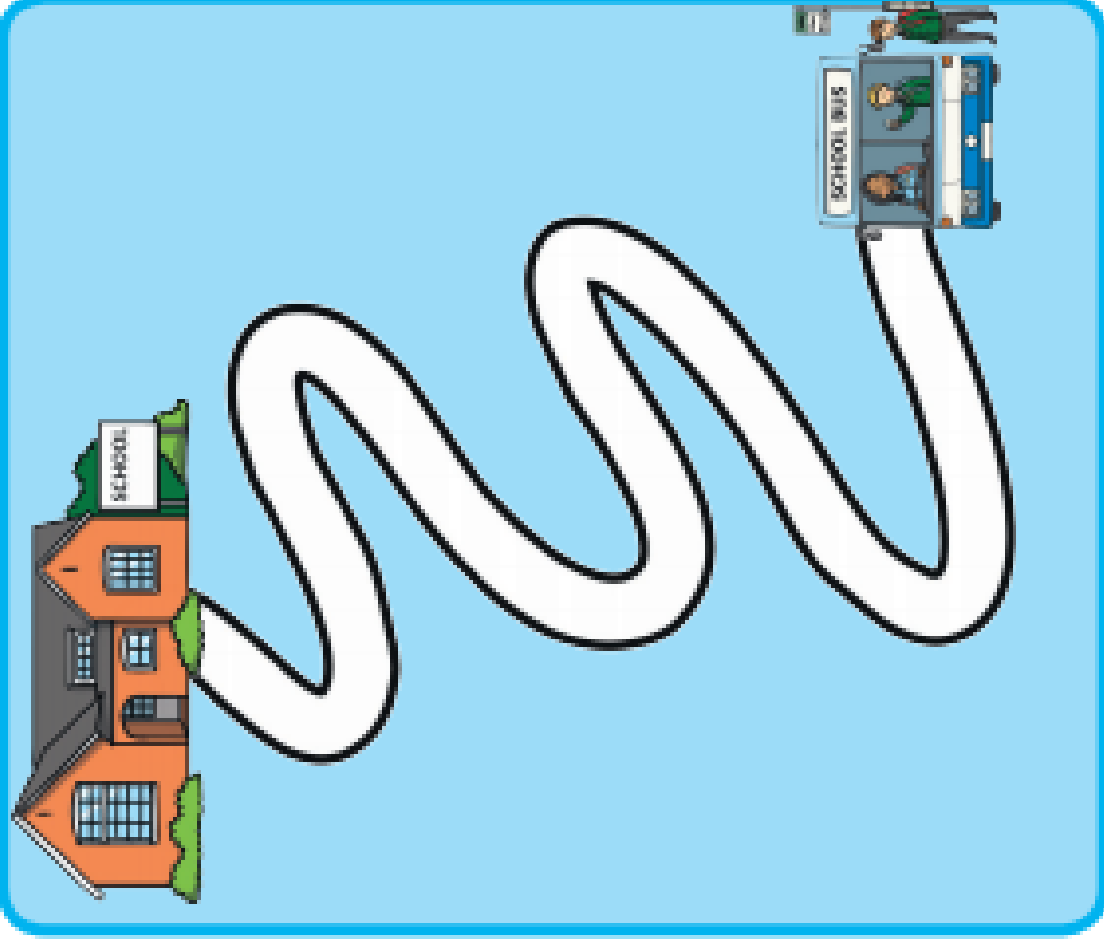

Traffic Survey

Make a tally chart to show how much traffic you see using the road.

cars 	
buses 	
vans 	
lorries 	
motorcycles 	
bicycles 	

Transport Maze

Use your pencil to draw a line to connect the school bus and the school.
Try to stay in the middle of the path.

Transport Maze

Use your pencil to draw a line to connect the bicycle and the helmet.
Try to stay in the middle of the path.
